And

Village of Winthrop Harbor

Covering Village of Winthrop Harbor

Full-Time Police Officers

September 1, 2017 through August 31, 2020

INTRODUCTION

This Agreement is voluntarily entered into by and between the Mayor and the Police Commission of the Village of Winthrop Harbor, Illinois, hereinafter referred to as the "Village," and the Illinois Council Of Police (ICOPs) hereinafter referred to as the "Union," as the exclusive Collective Bargaining Agent for the employees of the Village of Winthrop Harbor who are described in the Collective Bargaining Unit described herein.

PREAMBLE

The Union, having been certified by the Illinois Labor Relations Board as Collective Bargaining Agent for all full-time Sworn Police Officers below the rank of Sergeant employed by the Village, and the Village, having voluntarily endorsed the practices and procedures of collective bargaining as a fair and orderly way of conducting certain relations between them, and the intention of the parties to this Agreement being to provide for the appropriate wage structure, hours of employment, working conditions and benefits, and orderly and expeditious Grievance Procedure, all as set forth herein, the parties therefore agree to the following:

ARTICLE I – RECOGNITION

- 1.1** The Village recognizes the Union as the sole and exclusive Bargaining Agent for all full-time Sworn Police Officers below the rank of Sergeant, including uniformed Patrol Officers, non-uniformed Detectives, Evidence Technicians, Youth Officers, Narcotics Officers and such other Police job classifications as may be created from time to time.

- 1.2** Membership – As used herein, the term "Sworn Police Officers" shall refer to all those persons included in the Collective Bargaining Unit described above.

ARTICLE II – VILLAGE RIGHTS

The Mayor, police commission and the Chief of Police shall retain and reserve the ultimate responsibilities for the proper and ongoing management of the Village of Winthrop Harbor Police Department, according to the applicable laws, statutes and ordinances of Winthrop Harbor, Lake County, the State of Illinois and the United States.

Nothing herein shall be construed to deny or restrict the Village in the exercise of its rights, responsibilities and authorities as articulated in the laws of Winthrop Harbor, Lake County, the State of Illinois and the United States.

The Village shall retain and exercise all rights to determine its mission and set standards of service offered to the public; to direct the activities of its Police Department employees; to plan, direct, control and determine the operations or services to be conducted by Police Department employees covered by this Agreement; to assign or transfer employees; to hire, promote, demote, suspend, discipline, or discharge for just cause; to establish and enforce reasonable work rules and regulations; and to change or modify systems, methods, equipment or facilities provided, however, that the exercise of any and all of the Village's rights and responsibilities do not conflict with the terms and conditions of this Agreement.

ARTICLE III – NO STRIKES, NO LOCKOUTS

The Union shall not recommend, authorize, or engage in any Strike against the Village, nor shall the Village initiate, implement or otherwise engage in any Lockout against the Union or its members.

ARTICLE IV – UNION-VILLAGE RELATIONS

4.1 Bulletin Board

A Union Bulletin Board of reasonable size shall be available for use in an area of the Police Department agreeable to the parties. Such Bulletin Board shall

be available for the posting of notices and materials relating to Union activities. Such materials shall be identified with the name of the Union and shall be signed or otherwise authenticated by an appropriate officer or representative thereof. Such materials shall not be derogatory of any person associated with the Village and shall not include items which are primarily endorsements of candidates for political office (other than offices of the Union).

4.2 Public Information

The Village shall make available to the Union, upon written request, normal and usual public information, including relevant financial data and statistics which are pertinent to the conduct of negotiations, the processing of grievances, or the enforcement of the terms of this Agreement. Such materials shall be provided within ten (10) working days, wherever possible, following a written request of the Union. If unable to provide such materials within ten (10) working days, the Village shall advise the Union of its need for additional time and the Union agrees that, within reason, additional time

may be granted. The Village shall not be obligated hereunder to research or compile data or to provide the same information more than once.

4.3 No Discrimination

Neither the Village nor the Union shall discriminate against any employee because of race, creed, color, national origin, sex, or physical or emotional disability as defined by the Americans With Disabilities Act, or Union activities.

4.4 New Employees

The Village agrees to notify the Union of the hiring of all new full-time Sworn Police Officers whose job classifications are covered by this Agreement within ten (10) working days of the date of hire. Also, the Village shall notify the Union, within the same ten (10) working day time period, of any change of status that results in part-time or auxiliary or temporary Police Officers becoming full-time Sworn Police Officers.

4.5 Dues Checkoff and Fair Share Deductions

The Village shall deduct Union Dues from the salary of each employee covered by this Agreement in amounts as determined by the Union, and shall promptly transmit such funds to the Union, provided the amounts to be deducted shall be uniform for each Union member and provided the deduction is authorized in writing by the member. Union Dues shall be deducted from the salaries of employees and transmitted to the Union on the same schedule (every two weeks) that the Village normally pays its Police Department employees.

For any employee who chooses not to become a member of the Union and have the standard and ordinary Union Dues deducted from his or her salary, the Union shall provide the Village with written notice to regularly deduct a

Fair Share fee from the salary of such employee and to transmit this Fair Share fee to the Union. The Union will provide the Village with such notice within 30 calendar days after it learns a particular employee chooses not to maintain full membership in the Union. Such Fair Share fee will be established by the Union under the terms and conditions of legislation governing the Fair Share alternative and the established fee shall not exceed the amount of regular Union Dues paid by members of the Union.

When the Village makes such deductions for Union Dues or Fair Share fees and remits these funds to the Union, the Union shall indemnify, hold harmless and defend the Village, its Police Department, its elected officials, agents and employees in any action, complaint or suit or other proceeding which may be brought under Section 4.5 of this Article, including all attorneys' fees or cost of defense.

4.6 Union Representatives and Visitation

The Village recognizes the right of the Union to elect, appoint, or otherwise name up to two Sworn Winthrop Harbor Police Officers as Chapter representatives of the Union. The names of these two Union representatives, along with their designated titles, shall be provided to the Winthrop Harbor Chief of Police or his designee immediately upon the conclusion of the negotiation of this Agreement, or at such other time as the identities of the two Winthrop Harbor Chapter Officers becomes known. Any subsequent changes in the names or titles of these Union representatives shall also be provided to the Chief of Police or his designee as such changes occur.

These Union representatives shall be deemed to be the Union's official on-site spokespersons. However, these on-site Union representatives shall not conduct Union business during regular working hours except with the

permission of the Chief of Police or his designee or except in the carrying out of certain time-sensitive functions such as Grievance handling or the resolution of disputes between the Village and Union members.

Also, the Village recognizes the right of the Union to send representatives from its headquarters office to the Village and specifically, to the Police Department, for purposes of handling Grievances or observing and reporting on conditions under which Union members are working. Such visits by Union headquarters representatives shall be conducted during the regular shifts that Union members are working and also, appropriate notice shall be made to the Chief of Police or other ranking Police Department official whenever such visits are to be made. Such visits shall not interfere with normal Police Department functions.

The Village shall grant release time with pay during regular working hours for One Union member to participate in contract negotiations for any negotiations that take place after September 1, 2005. However, as many as two members may participate in negotiating sessions, but only one shall be paid at any given time, without interfering with normal Police Department duties. Generally, the two Winthrop Harbor Police who participate in contract negotiations shall be the same individuals who are Chapter Officers of the Union.

ARTICLE V – DISCIPLINARY INVESTIGATION PROCEDURES

5.1 Police Officers' Bill Of Rights

The Village agrees to abide by the Uniform Peace Officers' Disciplinary Act, (50 ILCS 725/1), commonly known as the Police Officers' Bill Of Rights. In the event a Sworn Police Officer covered by this Agreement has reason to believe that the Village has violated the Uniform Peace Officers' Disciplinary Act, he or she will have the opportunity of filing a Grievance under the terms of this Agreement or, separately, filing an action in a court of law. The Village further agrees to abide by all applicable legal requirements under appropriate State and Federal legislation concerning the right of employees to refuse to submit to oral or written investigatory interviews without Union representation where the employee reasonably believes that such interviews might result in disciplinary action.

5.2 Investigation Conduct

Whenever a Sworn Winthrop Harbor Police Officer or Officers covered by this Agreement becomes the subject or subjects of a disciplinary investigation conducted by Department personnel, any and all interrogations of such subjects shall be conducted in the following manner:

5.3 Time Of Interrogations

Any interrogations of Winthrop Harbor Police Officers shall be conducted at reasonable times, preferably while a given Officer is on duty, and preferably during daylight hours.

5.4 Identity Of Interrogators

Prior to an interrogation, any Winthrop Harbor Police Officer who is the subject of an investigation shall be advised as to whether he or she is being subjected to an informal inquiry or a formal interrogation. The Officer under investigation shall be informed of the identity of the person in charge of the investigation, the interrogation Officer and the identities of all persons present during the interrogation. All questions directed to the Officer who is the subject of the investigation shall be asked by one and only one interrogator.

5.5 No Anonymous Complaints

No anonymous complaints, whether made by private citizens, Winthrop Harbor Police Department personnel, or representatives of other Village, County, State or Federal agencies, shall result in formal interrogations of Sworn Winthrop Harbor Police Officers covered by this Agreement, without further substantiation.

5.6 Written Charges

Immediately prior to commencing either an informal inquiry or a formal interrogation, any Winthrop Harbor Police Officer or Officers under investigation shall be informed in writing of the nature of any and all charges or complaints and the names of any and all complainants.

- a) That an Officer be apprised of any documentation, completed and/or done relative to any anonymous complaint.

5.7 Length Of Interrogations

The length of time allotted to the conduct of interrogation sessions shall not exceed the length of time an Officer would normally work in any one shift. Also, such interrogations shall be structured so as to allow the Officer under

investigation appropriate break time for personal necessities, meals, telephone calls and rest.

5.8 No Threats Or Promises

No full-time Winthrop Harbor Police Officer covered by this Agreement shall, as part of an interrogation procedure, be threatened with transfer, suspension, dismissal or other disciplinary action, nor shall such Officer be promised a salary increase or other reward in exchange for information relating to a pending investigation.

5.9 Officer's Written Statements & Reports

Any Officer under investigation shall be provided, within ten (10) working days of the date that any informal inquiry or formal interrogation is commenced, with a copy or copies of any written statement or statements he or she has made regarding the matter under investigation. This section shall also apply to such Police Department documents as "To-From" reports, case reports, shift reports, arrest reports, traffic tickets, and any and all other Police Department documents that the Officer in question prepared, signed or submitted in connection with the matter being investigated.

5.10 Notification of Officer's Rights

If any investigation of an Winthrop Harbor Police Officer indicates that suspension or termination of that Officer is probable, the Officer under investigation shall be advised of his or her rights to be represented by the Union, or the Union's legal counsel, or legal counsel of the Officer's own choosing, prior to commencement of any formal inquiry or formal interrogation. If any investigation of a Winthrop Harbor Police Officer indicates that criminal prosecution of that Officer is probable, the Officer

shall be given notification of his or her rights against self-incrimination prior to commencement of any informal inquiry or formal interrogation.

5.11 Legal Counsel Rights and Responsibilities

Any Officer who is advised that he or she will be subjected to either an informal inquiry or a formal interrogation shall have the right to be represented by the Union, or the Union's legal counsel, or legal counsel of the Officer's own choosing at such proceeding. Any such informal inquiry or formal interrogation shall be suspended for seven (7) weekdays, or such other reasonable amount of time until adequate representation for the Officer can be arranged.

Further, in the event an officer discharges a firearm and a citizen or other officer is wounded or killed, the Union shall be notified immediately and it shall promptly supply legal counsel to represent the interests of the officer in any investigation springing from or touching upon the discharge of the weapon.

5.12 No Media Exposure

The Village agrees that no press releases or photos of any Officer under investigation shall be made available to the news media prior to a conviction on criminal charges or prior to a decision being rendered regarding any disciplinary action taken by the Village and reviewed by an appropriate reviewing body, unless otherwise required by law.

5.13 No Compelled Testimony

The Village/Union agree that an Officer under investigation shall be compelled to speak, give information to, be questioned by, or testify before the Village of Winthrop Harbor or the Village of Winthrop Harbor Police

Department, but not to any non-governmental agency relating to any matter or issue under investigation.

5.14 Investigation Time Limits

All Village and/or Police Department investigations of Winthrop Harbor Police Officers who are accused of misconduct or violations of Village ordinances or Police Department rules and regulations shall be limited to sixty (60) calendar days from the dates such investigations are initiated to the dates that charges are formally filed or such investigations are terminated without charges being filed. At the end of 60 days, any investigatory findings shall be disclosed to the Officer under investigation. However, the 60-day time limit may be extended on a day-for-day basis to reflect any days that the Officer under investigation was not working for reasons of absenteeism, vacation, sickness, disability, bereavement or other normally recognized reasons for absence.

5.15 Eligibility For Grievance Procedure

If any of the steps outlined in Article V, Disciplinary Investigation Procedures, shall be violated by either the Village or the Police Department, such violations shall be subject to the Grievance Procedure as described in Article VI of this Agreement.

ARTICLE VI – GRIEVANCE PROCEDURE

6.1 Purpose And Filing Deadlines

It is the purpose of this Grievance Procedure to resolve as promptly and as expeditiously as possible any allegations by the Union and/or its members of any misinterpretation of misapplication of the terms of this Agreement.

Any Grievance filed under the terms of this Article must be initiated not later than thirty (30) calendar days after the occurrence of the event that prompts the Grievance, or, if the Grievance describes an ongoing situation, it must be filed not later than 30 calendar days after the underlying situation becomes known to either the Union or the member or members who file the Grievance.

6.2 Definitions

- (1)** GRIEVANCE shall mean an allegation by the Union or by an affected employee that there has been a violation, misinterpretation or misapplication of any provision of the Agreement.
- (2)** Any employee covered by this Agreement may be represented by a Union official, staff representative, on-site representative or attorney at any meeting, hearing, or appeal relating to a Grievance which has been formally presented.
- (3)** The President of the Union or the appropriate designee shall be advised of any meeting, hearing or appeal relating to a Grievance which has been formally presented and a representative of the Union shall have the right to attend and participate in any such meeting, hearing or appeal.
- (4)** The failure of the Grievant to act on any Grievance within the prescribed time limits articulated elsewhere in this Article will act as a bar to any further appeal within this Grievance Procedure. If the Village's designated representative shall neglect to proceed to render a decision within the time limits, the Grievance may be advanced to the next step of the Grievance Procedure. Time limits, may, however, be extended by mutual agreement.
- (5)** The term "Working Days," as it applies to the Grievance Procedure described in this Agreement, shall mean Monday through Friday

except vacation periods or other days in which bargaining unit members are excused from working.

6.3 Procedures

The party asserting a Grievance shall attempt to resolve the problem through informal communication with the immediate supervisor.

STEP 1. If the informal process with the immediate supervisor shall fail to resolve the problem, the Grievance may be formally presented in writing to the Chief or Deputy Chief. The filing of the formal written Grievance at this step must be within thirty (30) working days of the date of the occurrence giving rise to the Grievance or from the date when the Grievant might reasonably have become aware of the incident or situation that results in the filing of the Grievance. Upon receipt of the formal written Grievance, the Chief or Deputy Chief will arrange for a meeting to be held within ten (10) working days to review the Grievance. The formal Grievance shall clearly identify all Grievants, summarize all relevant facts, identify all provisions of the Agreement allegedly violated, and describe the remedy which is requested. The Village representative shall provide a written answer to the Grievant (with a copy to the Union if the Union is not the Grievant) within ten (10) working days of the meeting. The answer shall include the reasons for any decision contained in the Village's response to the Grievance.

STEP 2. If the Grievance is not resolved at the preceding step, the Union may refer it to the Mayor or the Mayor's designee by filing the same in writing within ten (10) working days of receipt of the answer from the previous Chief of Police level. The Mayor or his designee will arrange for a meeting to be held within the ten (10) working days of such referral to review the Grievance. Each party shall have the right to include in its presentation such witnesses as it deems necessary to develop facts pertinent to the Grievance. A written answer, including reason(s), shall be provided to the

Grievant within ten (10) working days of the meeting provided for in this paragraph. In the event the Grievance arises from a decision or action made by the Mayor or Board of Trustees, the Grievance may be initiated at Step 2 provided the time limits set forth in Step 1 are adhered to.

STEP 3. If the Grievance is not resolved at the Mayoral level, the Union may submit it to binding arbitration, provided written notice indicating such is filed with the Mayor's office within fifteen (15) working days of the answer rendered by the Mayor's office, or if no answer is filed, within fifteen (15) working days of the last day on which such answer was due. The following procedures shall apply in all Step 3 Grievance arbitrations:

(a) The Union shall promptly request the Federal Mediation and Conciliation Service ("FMCS") to provide a panel of five (5) qualified Arbitrators. Each party retains the right to reject one (1) panel in its entirety and request that a new panel be provided by FMCS. Each party retains the right to request that any panel be composed only of members of the National Academy of Arbitrators. Both the Village and the Union shall have the right to alternately strike names from the panel, with a coin flip determining the party who strikes the first name. The person remaining on the panel shall be the arbitrator.

(b) The arbitrator selected shall be notified and shall be requested to set a time and place for the hearing, subject to the availability of the Union and Village representatives.

(c) The Village and Union shall have the right to request the arbitrator to require the presence of witnesses or documents. The Village and Union retain the right to employ legal counsel.

(d) The arbitrator shall submit his/her decision in writing within thirty (30) calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later.

(e) More than one grievance may be submitted to the same arbitrator where the parties mutually agree in writing.

(f) The fees and expenses of the arbitrator and the cost of a written transcript, if any, shall be divided equally between the Village and the Union; provided, however, that each party shall be responsible for compensating its own representatives and the ethically appropriate fees and expenses involved with any witnesses and exhibits.

(g) The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the question of fact as to whether there has been a violation, misinterpretation or misapplication of the specific provisions of this Agreement. The arbitrator shall be empowered to determine only the issue(s) raised by the grievance as submitted in writing at the Second Step. The arbitrator shall have no authority to make a decision on any issue not so submitted or raised. The arbitrator shall be without power to make any decision or award which is contrary to or inconsistent with, in any way, applicable laws, or of rules and regulations of Federal or State administrative bodies that have the force and effect of law. The arbitrator shall not in any way limit or interfere with the powers, duties and responsibilities of the Village under law and applicable court decisions. Any decision or award of the arbitrator rendered within the limitations of this subsection shall be final and binding upon the Village, the Union and the employees covered by this Agreement.

ARTICLE VII – DISCIPLINE AND DISMISSAL

7.1 Employee Security

Sworn Police Officers covered by this Agreement shall not be relieved from duty, suspended, discharged, or disciplined in any manner without the Village or the Command Level of the Police Department having first established just cause.

7.2 Police Commission Notices

Any reprimands, suspensions, proposed terminations or other disciplinary actions brought by the Village or the Command Level of the Police Department against any Officer covered by this Agreement, and which require adjudication by the Winthrop Harbor Police Commission, shall not be considered valid unless the accused Officer or Officers and the Union have been provided with specific details of charges as well as the names of any and all witnesses who may be called to testify against the accused. Such information shall be provided not later than ten (10) days prior to the start of the relevant Police Commission Hearing.

7.3 Suspension Pending Hearing

The Winthrop Harbor Police Commission retains statutory jurisdiction to determine whether a suspension pending a hearing before the Commission are to be with or without pay.

7.4 Performance Evaluation & Discipline

No Sworn Officer covered by this Agreement shall be required to submit to a Village or Police Department Performance Evaluation without first being given the opportunity to meet with the appropriate supervisor and being allowed to examine and inspect the evaluation document. Further, any

Officer undergoing an evaluation shall have the opportunity of indicating his or her approval or disapproval of the evaluation by marking an appropriate "Approval" or "No Approval" box on the evaluation form and placing his or her signature near the box. Additionally, any reprimand, suspension or other disciplinary action that results from a Performance Evaluation must be levied against the Officer in accordance with the relevant and applicable provisions of Articles V, VI and VII of this Agreement.

7.5 Access To Personnel Files

Personnel files kept by the Village on all full-time Sworn Police Officers shall be regarded as confidential and information contained in these files shall not be made available to public or private agencies or to the news media or to credit reporting services or other such agencies without the express consent of the Officer involved, unless otherwise required by law. Also, individual Officers shall have reasonable access to their own individual personnel files at least once each calendar year upon prior written notice to the Chief of Police or his designee. The Village agrees that such access to personnel files will be granted not more than thirty (30) calendar days after the initial written request is submitted. Officers may make copies of any such materials contained in these files. Further, individual Officers shall have the right to have any derogatory or negative information about themselves purged and removed from these files if (1), the information is at least eighteen (18) months old and (2), any offenses, errors, infractions or violations described in these personnel file materials have not been repeated in the ensuing eighteen (18) months.

Officers will not be required to indicate any specific reasons why they may want to review their personnel files and make copies of the materials therein, but if any State of Illinois statutes or Federal law holds that certain

specific materials in such files need not be made available to individual Officers, then such materials may be withheld by the Village.

7.6 Disciplinary Sequence

The typical disciplinary sequence for any employee covered by this Agreement shall be: (1) Verbal Warning; (2) Written Warning, with a copy to the employee's personnel file; (3) Suspension; (4) Dismissal.

Disciplinary action, up to and including termination of employment, shall be for a violation of a Village ordinance, or County or State or Federal law, or for a violation of Police Department policy or rules and regulations, so long as such rules and regulations have previously been reduced to writing and distributed to, posted or otherwise made available to all full-time Winthrop Harbor Police Officers covered by this Agreement. Any such disciplinary action shall be administered in a timely and progressive manner except that suspension or dismissal may result as the first step in the disciplinary procedure depending on the circumstances and severity of the offense.

Any full-time Winthrop Harbor Police Officer covered by this Agreement is entitled to Union representation at any meeting or hearing called for the specific purpose of disciplining the employee. If a non-disciplinary meeting turns into a disciplinary meeting, the employee is entitled to recess the meeting until Union representation can be obtained before continuing with any such disciplinary meeting.

- A. The following will be the procedures for all discipline (suspension, removal or discharge) to be levied against police officers of this bargaining unit. If the Chief of Police suspends a Police Officer for a period of less than five (5) days or recommends a suspension in excess of five (5) days (including a recommendation for discharge), the affected Police Officer shall have the

right to have such action heard before the Board of Police Commissioners (BOPC). In such a hearing, no discipline may be levied except for just cause following a full and fair hearing in accordance with all provisions of this Agreement, the laws of the State of Illinois and any federal laws that may apply.

In any event, any final administrative decision of the BOPC will be reviewable under the provisions of the Administrative Review Law (735 ILCS 5/3-101, et seq.) as noted in paragraph 4 of 65 ILCS 5/10-2.1-17 (eff. Nov. 30, 1999).

7.7 Discipline and Dismissal Circumstances

Suspension and/or dismissal of a non-probationary Officer shall occur only for reasonable and just cause.

7.8 Conference

Except when detrimental to the general welfare of the Village, any employee covered by this Agreement shall have the opportunity, prior to suspension or dismissal, to have Union representation at a conference with the Chief of Police or his designee and at that time, to have full opportunity to review the allegations or reasons for suspension or dismissal and to have ample opportunity to rebut such allegations or reasons. This section shall apply only to disciplinary matters that have not been brought under the jurisdiction of the Winthrop Harbor Fire & Police Commission, for suspensions of (5) five days or less.

7.9 Dismissal

All recommendations for dismissal (except for reduction in force) shall be initiated by or confirmed by the Chief of Police or his designee, or by the Mayor or his designee, or by action of the Winthrop Harbor Police

Commission. A copy of any such recommendation, along with the supporting allegations or reasons therefore, shall be submitted in writing to the employee, with a copy to the Union, before any such dismissal recommendation can take effect.

ARTICLE VIII – SENIORITY

8.1 Definition Of Seniority

The Village and the Union recognize that there may exist two levels of seniority for a given employee. Any Police Officer covered by this Agreement who was employed by the Village in any capacity other than Police Officer, on either a part-time or full-time basis, shall be entitled to a Village level of seniority which shall be computed from the employee's original date of hire. The primary purpose for maintaining a Village level of seniority shall be for the determination of pension eligibility.

The Police Department level of seniority shall apply to all full-time Winthrop Harbor Police Officers whose original date of hire was as a Police Officer or, to those Winthrop Harbor employees who transferred into the Police Department from some other Village employment capacity. In either case, Police Department seniority shall date from the employee's earliest date of continuous employment as a full-time Sworn Winthrop Harbor Police Officer.

Police Department seniority shall be used to determine the status of individual Police Officers in matters of vacation and shift scheduling, transfers or promotions within the Police Department, reduction in force, opportunities to work overtime, opportunities to bid for specific shift assignments, training opportunities, and such other matters that may arise

from time to time and which may require a fair and equitable means of choosing one employee over another. However, in all cases, the seniority rights of full-time Sworn Winthrop Harbor Police Officers who have successfully completed their probationary periods shall take precedence over any seniority rights deemed to be held by part-time Officers, temporary Officers, retired Officers who have returned to work on a part-time, temporary or consulting basis, and any other employees who are not full-time Sworn Winthrop Harbor Police Officers.

8.2 Hiring Date Conflicts

In the event that more than one employee covered by this Agreement has the same date of hire, seniority of the employees involved shall be resolved based on the order in which their names first appeared on the Village and/or Police Department eligibility list, with the earliest name appearing on the list being the most senior Officer. Or, if the ranking of employees on an eligibility list shall not conclusively establish seniority, the dates that original Police Department applications were received shall be used for such purpose.

8.3 Seniority List

The Village agrees to prepare a Seniority List on an annual basis, not later than December 31st of each year, and to provide the Union with a copy of such list, which the Union may then post on its Union bulletin Board. In the event of errors or disputes over names or dates appearing on the Seniority List, the Union will call these matters to the attention of the Village as they arise. As new Sworn Police Officers are hired or as others leave the employ of the Village, their names shall be added to or removed from the Seniority List not later than 30 days from the date of such changes. The Village agrees to provide the Union with such updated Seniority Lists as they become available.

8.4 Probationary Period Seniority

All newly-hired Sworn Police Officers shall be considered probationary employees until they successfully complete a probationary period of twelve (12) months from the date of hire. Seniority among probationary Officers shall not apply until after they complete their probationary period, in which case they shall then be deemed to have accrued one year of seniority with the Police Department.

8.5 Accrual And Non-Accrual Of Seniority

Seniority shall accrue on a continuous basis following the one-year probationary period and shall be a determining factor in all such matters in which Officers shall be deemed to have the right to choose.

Seniority shall not accrue during any periods in which an Officer is on an unpaid authorized leave of absence or an unpaid disciplinary suspension in excess of thirty (30) days. However, seniority shall continue to accrue during any sick leave or disability leave that an employee may experience, provided that such leave does not exceed twelve (12) months. After 12 months of continuous sick leave or continuous disability leave, employees shall not continue to accrue seniority. However, any seniority such employees have accrued up to that point shall continue to be carried by the Village in their names. Further, any employees who return to work as full-time Sworn Police Officers following extended sick leaves or extended disability leaves shall be entitled to claim and exercise all Police Department seniority they have accumulated up to the point that their seniority ceased to accrue and, upon their return to active duty, the seniority of such employees shall once again continue to accrue.

Seniority shall be terminated whenever an employee resigns, is discharged for cause, retires, or has been laid off during a reduction in force and not called back for two (2) years.

8.6 Seniority And Reduction In Force

If a reduction in force does become necessary, it shall be implemented following the principle of reverse seniority, meaning the last full-time Sworn Police Officer hired shall be the first to be laid off or terminated.

Further, any Officers removed from the force as a result of this procedure shall be subject to recall for a period of two (2) years before any new employees are hired to replace them.

8.7 Seniority And Vacation Scheduling

Vacations shall be selected and scheduled based on seniority within the Police Department's bargaining unit, except that the Chief of Police or his designee shall function as a tiebreaker in the event two or more Officers with comparable levels of seniority choose the same time period or periods for their vacations. If the vacation time is taken in split segments, the first segment is picked by seniority and the second segment is picked after those less senior have selected vacation time.

8.8 Seniority And Transfers

The Village agrees that the Chief of Police will, in the exercise of his sound discretion, consider seniority and status as a full time officer in allowing Officers to put in their bids for transfers to other assignments or duties or positions that become available within the Department. Other factors that may be considered in weighing such bids include education, training, prior experience and job performance. Whenever any such positions, duties or assignments become available, notice of such openings shall be posted in

a conspicuous location within the Department, including the Union Bulletin Board, and all Officers covered by this Agreement shall be eligible to bid on them. The final authority for filling such openings shall reside with the Chief of Police or his designee. The employer agrees not to remove officers in the positions of detective, evidence technician, gang crime specialist, K-9 or field training officer for reasons which are arbitrary and capricious. The Chief of Police shall also consider, in the exercise of his sound discretion, the availability of full-time officers for assignments to specialty units when their skills and performance is more suitably matched to the assignment when compared to available part-time officers.

8.9 Seniority, Shift Scheduling And Days Off

The Village shall establish the days, work hours, work schedules and work shifts for police officers, which may be changed from time to time by the Village based upon the operational needs of the Police Department, as determined by the Chief. The Village agrees that seniority shall be the principal factor in allowing police officers to bid on the shifts they will work and the regular days they will be off. Shift selections shall begin with the most senior police officer picking his/her requested shifts for the entire calendar year. This process will be continued in descending order of seniority to the least senior police officer. When selecting their shifts, police officers shall be required to keep the same regular days off for the entire year. The Chief will have the right to override and assign shifts based upon the operational needs of the department and based upon unforeseen circumstances as determined by the Chief. Before a permanent change is made in a police officer's work day, work hours or work schedule, the police officer shall be notified at least thirty (30) days prior to the change becoming effective in order to give the police officer and the union the opportunity to comment on the effect of the change on the employee. Such change shall not be arbitrary or capricious. Nothing in this section shall prevent an officer

from voluntarily trading permanent shifts with the approval of the Chief of Police.

8.10 Seniority And Overtime

Scheduled overtime assignments shall be based on Police Department seniority, by utilizing a "sign up" sheet, except if a particular level of training or expertise is required for a particular overtime assignment or detail, that assignment may be granted to an Officer of lesser seniority. Unscheduled overtime also shall be based on seniority and, in instances where all available Officers have comparable levels of training and expertise, the unscheduled overtime shall first be offered to the most senior Officer available. The Department will maintain a continuous rotating seniority list which will be utilized in assigning scheduled and unscheduled overtime. However, a given Officer shall have the right to decline to work unscheduled overtime if another Officer of comparable training and skill levels is available and indicates a willingness to work the unscheduled overtime. Also, individual Officers who exercise their seniority rights in working either scheduled or unscheduled overtime shall be limited to a maximum of forty (40) hours of such overtime in any two-week pay period. Further, no Officer covered by this Agreement may be compelled to work more than forty (40) hours of overtime in any two-week pay period, seniority levels notwithstanding.

8.11 Seniority and Rescheduling (Trading) Of Shifts

The Village agrees that regularly scheduled shifts and regularly scheduled days off may periodically be voluntarily traded between individual Officers without regard to seniority, to the extent practicable, except regarding special assignments and emergency situations. In such instances, both Officers involved in a given shift trade must notify the Chief of Police or his designee of the starting time of the shift being traded. Also, such voluntary

shift rescheduling must be reciprocal so that the Village will not be obligated to compensate either Officer at an overtime rate, unless the original shift being traded was to have been an overtime shift. This provision is subject to the discretion of the Chief of Police or Deputy Chief to ensure adequate staffing and experiential levels of the staff on duty at any and all times.

ARTICLE IX --EMPLOYMENT PRACTICES & PROCEDURES

9.1 Court Time Compensation

The Village agrees that all full-time sworn police officers will be compensated for court appearances to include jury trials at the minimum rate of (2) two hours at the rate of 1 ½ times their regular rate of pay. This is applicable if the appearance is scheduled at a time that the officer would not normally be working. Compensation in excess of the minimum will be calculated on the basis of the time that the officer is actually, physically present in a courthouse, on call or testifying; and no travel time, beyond that required to travel from the police station to the court and back, will be granted except in unusual circumstances with the prior approval of the Chief of Police.

9.2 Call-In Compensation

The Village agrees that any Officer who is called in at least two (2) hours prior to the start of a regularly scheduled shift, or who is called in on what would otherwise be a regularly scheduled day off, shall be compensated for a minimum of two (2) hours, to be paid at the normal overtime rate of pay.

9.3 Residency Requirement

The bargaining unit and the Village of Winthrop Harbor agrees to allow all Police Officers to live outside of the Village limits of Winthrop Harbor.

9.4 Uniforms

The Village shall provide each sworn Winthrop Harbor Police Officer with an annual allotment of \$800.00 per fiscal year (except in the first year of employment the Officer will receive an initial uniform issuance and therefore not eligible for the \$800.00 allotment) for use by each Officer for the replacement of uniforms and other related equipment. The annual allotment of \$800.00 will be paid on the 1st day of June in each year of this Agreement. Any full-time detective will receive an additional \$200.00 per year. The Village agrees to provide each sworn Officer with a new body armor vest and vest carrier, once every five years. The Officer may upgrade the body armor vest supplied by the Village of Winthrop Harbor, providing he pays the difference in price.

For probationary Officers, the Village will furnish all necessary and appropriate uniform articles, including boots, pants, shirts, jackets, hats, ties, duty gear and body armor, which will be provided to the individual probationary Officer before the start of his or her first shift.

The parties to this agreement accept the research findings of the National Institutes of Justice and that all body armor designed for police usage becomes obsolete and should be replaced after five (5) years of daily usage.

9.5 Shift Coverage

The Village agrees that it shall maintain a force of full-time or part-time sworn Police Officers large enough to cover each and every shift for each and every day of the year with a minimum of 2 officers per shift, part or full-time officers, which may include a Sergeant. In the event a particular shift may not be covered at the start of that shift, and it is necessary to hold over an Officer or Officers from the previous shift, a continuous rotating seniority list will be utilized. The senior full-time Officer on the previous shift shall be the first Officer asked to stay over for the next shift.

9.6 Overtime Compensation And Compensatory Time

Full-time Sworn Police Officers may be required to work overtime in both emergency and non-emergency situations. In either case, overtime shall be duly authorized and approved by an Officer of at least supervisory rank, if not higher. Officers required to work overtime shall be compensated for such time at the rate of one and one-half (1.5) times the regular rate of pay. Overtime is defined as any work in excess of eighty (80) hours in any pay period and shall be earned in minimum increments of thirty (30) minutes each. Personal days, vacation days or sick days taken during this eighty (80) hour pay period will be considered as days worked. Nothing in this section shall conflict with the holiday overtime rate described in Article X of this Agreement.

The combination of required overtime hours and regular-time hours shall not exceed 16 hours in any 24-hour period for any given Officers, regularly scheduled hours. Also, no Officer shall be required to work 16 hours per day in any two-day period and no Officer shall be required to work more than two (2) 16-hour days in any standard workweek. However, Officers who work a regular (8 or 12) hour shift may volunteer for an additional four (4) hours of overtime for each day of the regular workweek, but in no case

may such Officers be required to work more than 20 hours of overtime in any one week. Officers may decline to work overtime if (1), they have not been given at least a four (4) hour advance notice of the need for them to work overtime, or, (2), if they have a pressing family or personal obligation that prevents them from working overtime (such as an appointment with a medical professional or a child or children who cannot be left alone without a babysitter), or, (3), they have already worked at least four (4) hours overtime in that workweek.

Overtime shall be paid along with regular-time compensation in the Officers' regularly scheduled paychecks, unless individual Officers elect to receive their overtime pay in the form of compensatory time. Compensatory time, which shall be earned at overtime rates, shall be granted to full-time Sworn Police Officers who indicate to the Chief of Police or his designee that they choose such compensatory time in lieu of actual payment in their paychecks. Compensatory time may be used for time off on an hour-for-hour basis, and may be taken in increments as small as one hour. Compensatory time may be accumulated up to a maximum of sixty (60) hours in any calendar year, with the option to carry over twenty (20) hours into the following year. The Chief or his designee will keep accurate records of how much compensatory time is in each Officer's account. Notwithstanding the foregoing two paragraphs of this section, the Village reserves the right to suspend any or all officer's right to take compensatory time off work during any bona fide emergency. Such an emergency may, but need not, include the following: periods of civil unrest, severe weather, large-scale fires or natural disasters, widespread illness among staff members and other unusual events requiring staffing at super-normal levels.

9.7 Officer in Charge (O.I.C.)

Non-supervisory personnel will not be utilized as Officers in Charge (O.I.C.) The Chief or his designee shall ensure that a command officer will be available at all times, 24 hours per day, 7 days a week and 365 days a year.

9.8 Rules, Regulations, Policies And Procedures

The Village agrees that within sixty (60) days following the signing of this Agreement, the Chief of Police or his designee will prepare and distribute to all covered Officers, copies of all Village and Police Department Rules, Regulations, Policies and Procedures that pertain to Police work and the specific duties of full-time Sworn Winthrop Harbor Police Officers. Officers will sign a cover sheet indicating that they have received the materials. If an Officer requires an additional copy of these materials, or if subsequent updating of these materials becomes necessary, he or she may use the Department's copy machine for this purpose. It is understood that by distributing copies of such written Rules, Regulations, Policies and Procedures that guide their daily activities, that a higher level of professionalism in Police work will be realized. However, in the event that any existing Rule, Regulation, Policy or Procedure directly conflicts with the Articles or Sections of this Agreement, this Agreement shall take precedence over the existing Village Rules, Regulations, Policies and Procedures.

9.9 Field Training Officer

When an officer is assigned as a Field Training Officer (FTO), he or she shall be paid an additional \$2.00 per hour for every hour worked during actual field training duties.

ARTICLE X – HOLIDAYS AND LEAVES

10.1 Holiday Benefit

(a) The Village agrees that all full-time Officers will be paid eight (8) hours of Paid Holiday Benefit at straight time, for each of the Holidays listed in the table below. This Paid Holiday Benefit is payable whether or not the Officer actually works on the listed Holiday.

(b) The Officer may opt to bank these eight (8) benefit hours for use at a later date, or to use these eight (8) benefit hours to take the listed Holiday off when it falls on their regularly scheduled work day, subject to approval by the Chief of Police.

(c) If an Officer works a shift which begins on a listed Holiday, the Officer will be paid at a rate of one and one half (1- ½) times their regular rate of pay for the entire shift, including any authorized and approved extension thereof.

(d) If an Officer works a shift which begins on a date other than a listed Holiday, the Officer will be paid at his/her regular rate for the entire shift, including any authorized and approved extension thereof, and including any portion of the shift or extension which may literally fall on the listed Holiday date.

The Village's practice of celebrating weekend holidays on the Friday prior or Monday following is not applicable to Police Department employees.

(f) Following are the listed Holidays applicable to this Agreement:

1. Greater than three (3) consecutive work days
2. For work day or days scheduled before or after a Holiday or vacation day

Paid Sick Leave Benefit may be used for doctor and/or dentist appointment for the employee only. It is not applicable for this purpose with regards to spouse, children or any other person.

New employees are not eligible for use of the Paid Sick Leave Benefit during the first three months of employment, however, the benefit accrual begins at the time of hire.

Employees are not eligible to use Paid Sick Leave benefits to supplement any other benefits received by the employee from any source.

On and after the 10th anniversary of a full-time employee's employment, he or she may elect to transfer up to 96 hours of accrued and unused sick leave per year of employment to an established VEBA account. Additionally, upon the retirement of a full-time officer (including those promoted to sergeant), and after his or her having completed 20 years of service with the employer, the officer shall be eligible to transfer an additional 240 hours of accrued and unused sick leave into the said VEBA account. The overall maximum number of hours banked in such a VEBA account shall be 1,200 hours. The VEBA account shall be established and administered by an outside vendor chosen by a majority of the bargaining unit members. The Union and the Employer shall cooperate as necessary in the establishment

of the VEBA account. Once the VEBA account is established, the Employer shall implement the deposit of employee assets into the account. Such assets shall be identified by the employees from funds made eligible for this purpose pursuant to the provisions of this paragraph.

The Village shall compensate any Officer who is required to serve as a juror or participate in a Criminal or Civil Court proceeding at his or her regular rate of pay, assuming such Court or Court-related appearance takes place when the Officer would have been scheduled to work. The Officer shall present proof of such service to the Chief of Police or his designee. In order to continue receiving such benefits, the Officer must continue to provide the Chief of Police or his designee with proper documentation from the attending physician at regular and reasonable intervals.

Officers who suffer injuries on duty (IOD), and who elect to file for benefits under the Worker's Compensation Act, shall be liable for reimbursement to the Village on a dollar-for-dollar basis of any funds that the Officer received from the Village under terms of the Public Employee Disability Act. But nothing in this Agreement shall prevent an injured or disabled Officer from seeking benefits Under the Worker's Compensation Act, particularly if the Worker's Compensation Act is deemed to provide more generous benefits than those salary continuation benefits provided under the Public Employee Disability Act.

The Village of Winthrop Harbor, in conjunction with the Board of Trustees of the Winthrop Harbor Police Pension Fund, is required by Illinois statute to maintain and administer a Pension Plan for its Police, to regularly deduct uniform, mandated employee contributions to this Pension Plan, and to make Village contributions to this Pension Plan on behalf of all Winthrop Harbor Police Officers covered by this Agreement who meet certain requirements, including vesting requirements, of both the Pension Plan and the State law that governs it.

In that Illinois law requires that such Police Pension Plans routinely issue accurate and audited financial reports to their covered members, and in that the Village of Winthrop Harbor desires to comply with Illinois law, and in that the Village recognizes that Winthrop Harbor Police have every right to be made aware of such financial considerations as fund balances, profits and losses on fund investments, loans that the fund may make from time to time, and details of elections of Pension Plan Board members, the Village, in cooperation with the Board of Trustees of the Winthrop Harbor Police Pension Fund, agrees to maintain a program of full disclosure of any and all Pension Plan information and data, including audited Annual Reports, to those Winthrop Harbor Police whose deferred salaries and employee contributions make up the Pension Plan's reason for existence.

These ongoing professional training programs shall cover such aspects of Police work as weapons handling, radio room work, investigative techniques and the like and, in all cases, employees who participate in such training shall be paid at their regular rates of pay and, where appropriate, at overtime rates of pay.
