Nothing herein shall be construed to deny or restrict the City in the exercise of its rights, responsibilities and authorities as articulated in the laws of Altamont, Effingham County, the State of Illinois and the United States. The City shall retain and exercise all rights to determine its mission and set standards of service offered to the public; to direct the activities of its Police Department employees; to plan, direct, control and determine the operations or services to be conducted by Police Department employees covered by this Agreement; to hire, promote, demote, transfer, and assign employees; to discipline, suspend and discharge for just cause; to determine the size and composition of the work force; to determine the number of hours of work and shifts per work week; to establish and change work schedules and assignments (with shift schedules being posted five (5) days prior to the start of the next shift period); to introduce new methods of operations; to eliminate, contract and relocate or transfer work and maintain efficiency; to hire, promote, demote, suspend, discipline, or discharge for just cause; to establish, modify and enforce reasonable work rules and regulations; and to change or modify systems, methods, equipment or facilities provided, however, that the exercise of any and all of the City's rights and responsibilities do not conflict with the terms and conditions of this Agreement.

ARTICLE III

NO STRIKES, NO LOCKOUTS

The Union shall not recommend, authorize, or engage in any Strike against the City, nor shall the City initiate, implement or otherwise engage in any Lockout against the Union or its members. The definition of the term "strike" shall include sympathy strikes, work slow downs and intermittent work stoppages.

ARTICLE IV

UNION - CITY RELATIONS

4.1 Bulletin Board

A Union Bulletin Board of reasonable size shall be available for use in an area of the Police Department agreeable to the parties. Such Bulletin Board shall be available for the posting of notices and materials relating to Union activities. Such materials shall be provided within ten (10) working days, wherever possible, following a written request of the Union. If unable to provide such materials within ten (10) working days, the City shall advise the Union of its need for additional time and the Union agrees that, within reason, additional time may be granted. The City shall not be obligated

hereunder to research or compile data or to provide the same information more than once.

Neither the City nor the Union shall discriminate against any employee because of race, creed, color, national origin, sex, or physical or emotional disability as defined by the Americans with Disabilities Act, or Union activities.

4.4 New Employees

A new employee shall be a "probationary employee" for his/her first year of employment.

Probationary employees shall have no seniority except as otherwise may be provided in this Agreement until he/she has completed his/her probationary period. Upon completion of his/her probationary period, he/she will acquire seniority from his/her date of hire.

No matter or issue involving layoff, discipline or termination of a probationary employee shall be subject to the grievance and arbitration procedures provided for in this Agreement.

writing by the member. Union Dues shall be deducted from the salaries of employees and transmitted to the Union monthly.

4.6 Union Representatives and Visitation

The City recognizes the right of the Union to elect, appoint, or otherwise name up to two (2) Sworn Altamont Police Officers as a Chapter representatives of the Union. The name of these Union representatives, along with their designated titles, shall be provided to the Altamont Chief of Police or his designee immediately upon the conclusion of the negotiation of this Agreement, or at such other time as the identity of the Altamont Chapter Officers becomes known. Any subsequent changes in the name or title of these Union representatives shall also be provided to the Chief of Police or his designee as such changes occur.

These Union representatives shall be deemed to be the Union's official on-site spokespersons. However, these on-site Union representatives shall not conduct Union business during regular working hours except with the permission of the Chief of Police or his designee.

Also, the City recognizes the right of the Union to send representatives from its headquarters office to the City and specifically, to the Police Department, for purposes of handling Grievances or observing and reporting on conditions under which Union members are working. Such visits by Union headquarters representatives shall be conducted during the regular shifts that Union members are working and also, appropriate notice shall be made to the Chief of Police or his designee whenever such visits are to be made. Such visits shall not interfere with normal Police Department functions.

ARTICLE V

DISCIPLINARY INVESTIGATION PROCEDURES

5.1 Police Officers' Bill Of Rights

The City agrees to abide by the Uniform Peace Officers' Disciplinary Act, (50 ILCS 725/1), commonly known as the Police Officers' Bill Of Rights. The Uniform Peace Officers' Disciplinary Act is hereby incorporated by reference and attached to this Agreement as Appendix A.

Nothing in this section is intended to or should be construed to waive employees' right to Union representation during questioning that the employees reasonably believe may lead to discipline. Employees shall have such rights as set forth in the United States Supreme Court decision in *NLRB v. Weingarten*, 420 U.S. 251 (1975) and Department of Central Management Services and Corrections (Morgan) decision 1 PERI par. 2020 (ISLRB, 1986).

Ongoing personnel investigations will not be subject to media exposure to the extent permitted by law.

ARTICLE VI

GRIEVANCE PROCEDURE

6.1 Purpose and Filing Deadlines

It is the purpose of this Grievance Procedure to resolve as promptly and as expeditiously as possible any allegations by the Union and/or its members of any misinterpretation of misapplication of the terms of this Agreement. Any Grievance filed under the terms of this Article must be initiated not later than ten (10) calendar days after the occurrence of the event that prompts the Grievance, or, if the Grievance describes an ongoing situation, it must be filed

not later than ten (10) calendar days after the underlying situation becomes known to either the Union or the member or members who file the Grievance.

6.2 Definitions

- (1) GRIEVANCE shall mean an allegation by the Union or by an affected employee that there has been a violation, misinterpretation or misapplication of any provision of the Agreement.
- (2) Any employee covered by this Agreement may be represented by a Union official, staff representative, on-site representative or attorney at any meeting, hearing, or appeal relating to a Grievance which has been formally presented.
- (3) The President of the Union or the appropriate designee shall be advised of any meeting, hearing or appeal relating to a Grievance which has been formally presented and a representative of the Union shall have the right to attend and participate in any such meeting, hearing or appeal.
- (4) The failure of the Grievant to act on any Grievance within the prescribed time limits articulated elsewhere in this Article will act as a bar to any further appeal within this Grievance Procedure. If the City's designated representative shall neglect to proceed to render a decision within the time limits, the Grievance may be advanced to the next step of the Grievance Procedure. Time limits, may, however, be extended only by written agreement.
- (5) The term "Working Days," as it applies to the Grievance Procedure described in this Agreement, shall mean Monday through Sunday except vacation periods or other days in which bargaining unit members are excused from working.

6.3 Procedures

The party asserting a Grievance shall attempt to resolve the problem through informal communication with the Chief.

STEP 1. If the informal process with the immediate supervisor shall fail to resolve the problem, the Grievance may be formally presented in writing to the Chief. The filing of the formal written Grievance at this step must be within ten (10) calendar days of the date of the occurrence giving rise to the Grievance or from the date when the Grievant might reasonably have become aware of the incident or situation that results in the filing of the Grievance. Upon receipt of the formal written Grievance, the Chief will arrange for a meeting to be held within ten (10) calendar days to review the Grievance. The formal Grievance shall clearly identify all Grievants, summarize all relevant facts, identify all provisions of the Agreement allegedly violated, and describe the remedy which is requested. The City representative shall provide a written answer to the Grievant (with a copy to the Union if the Union is not the Grievant) within ten (10) calendar days of the meeting. The answer shall include the reasons for any decision contained in the City's response to the Grievance.

STEP 2. If the Grievance is not resolved at the preceding step, the Union may refer it to the Mayor or the Mayor's designee by filing the same in writing within ten (10) calendar days of receipt of the answer from the Chief of Police level. The Mayor or his designee will arrange for a meeting to be held within the ten (10) calendar days of such referral to review the Grievance. Each party shall have the right to include in its presentation such witnesses as it deems necessary to develop facts pertinent to the Grievance. A written answer, including reason(s), shall be provided to the Grievant within ten (10) calendar days of the meeting provided for in this paragraph. In the event the Grievance arises from a decision or action

made by the Mayor or Board of Trustees, the Grievance may be initiated at Step 2 provided the time limits set forth in Step 1 are adhered to.

STEP 3. If the Grievance is not resolved at the Mayoral level, the Union may submit it to binding arbitration, provided written notice indicating such is filed with the Mayor's office within twenty (20) calendar days of the answer rendered by the Mayor's office, or if no answer is filed, within twenty (20) calendar days of the last day on which such answer was due. The Union shall promptly request the Federal Mediation and Conciliation Service (FMCS) to provide a panel of seven (7) qualified Arbitrators who are members of the National Academy of Arbitrators from which the parties may make a selection pursuant to the practices of the Federal Mediation and Conciliation Service (FMCS).

The fees and expenses of the Arbitrator and the Federal Mediation and Conciliation Service (FMCS) shall be shared equally by the City and the Union. The parties likewise shall share the expenses of any transcript(s) which they may jointly request, but all other expenses which may be incurred by either party shall be borne by that party. The Arbitrator shall have no right to amend, modify, nullify, ignore, add to or subtract from the provisions of this Agreement. The Arbitrator shall consider and decide any question or fact as to whether or not there has been a violation, misinterpretation or misapplication of the specific provisions of this Agreement. The Arbitrator shall be empowered to determine the issue raised by the grievance as submitted in writing. The Arbitrator shall have no authority to make a decision on any issue not so submitted or raised. The Arbitrator shall be without power to make any decision or award which is contrary to or inconsistent with, in any way, applicable laws or of rules and regulations of administrative bodies that have the force and effect of law. The Arbitrator shall not, in any way, limit or interfere with the powers, duties and responsibilities of the City under law and applicable court decisions. Any decision

or award of the arbitrator rendered within the limitations of this section shall be final and binding upon the City, the Union and the employees.

6.4 Time Limit for Filing

No Grievance shall be entertained or processed unless it is submitted within the specified time limits after the occurrence of the event giving rise to the Grievance or within the specified time limits after the employee, through the use of reasonable diligence, could have obtained knowledge of the occurrence of the event giving rise to the Grievance.

If the Grievance is not presented or advanced within the specified time limits contained in this Article, it shall be considered waived or settled on the basis of the City's last answer. If the City does not answer a Grievance or an appeal thereof within the specified time limits outlined in this Article VI, the Union may elect to treat that Grievance as denied at that step and immediately appeal the Grievance to the next step.

ARTICLE VII

DISCIPLINE AND DISMISSAL

7.1 Employee Security

Sworn Police Officers covered by this Agreement shall not be relieved from duty, suspended, discharged, or disciplined in any manner without just cause.

7.2 Access to Personnel Files

Personnel files kept by the City on all full-time Sworn Police Officers shall be regarded as confidential and information contained in these files shall not be made available to public or private agencies or to the news media or to credit reporting services or other such agencies without the express consent of the Officer involved, unless otherwise required by law. Also, individual Officers shall

have reasonable access to their own individual personnel files at least once each calendar year upon prior written notice to the Chief of Police or his designee. The City agrees that such access to personnel files will be granted not more than thirty (30) calendar days after the initial written request is submitted. Officers may make copies of any such materials contained in these files. Further, to the extent permitted by law, the City agrees to purge and remove from these files all written reprimands or oral reprimands that were reduced to writing in these personnel files providing these infractions or violations described, have not been repeated in the ensuing eighteen (18) months. All charges against an Officer that were found to be unfounded, exonerated or not sustained shall also be removed upon completion of the investigation.

Officers will not be required to indicate any specific reasons why they may want to review their personnel files and make copies of the materials therein, but if any State of Illinois statutes or Federal law holds that certain specific materials in such files need not be made available to individual Officers, then such materials may be withheld by the City.

7.3 Disciplinary Sequence

The City agrees with the tenets of progressive and corrective discipline. Disciplinary action or measures (which may be any one of the following, depending on the severity of the offense), shall include the following:

- a) oral reprimand
- b) written reprimand
- c) suspension (notice to be given in writing)
- d) discharge (notice to be given in writing)

For an employee to be disciplined for violating a Police Department policy, rule or regulation, that policy, rule or regulation must have been previously reduced to writing and distributed to, posted or otherwise made available to all Police Officers. Any full-time Altamont Police Officer covered by this Agreement is entitled to Union representation at any meeting or hearing called for the specific

purpose of disciplining the employee. If a non-disciplinary meeting turns into a disciplinary meeting, the employee is entitled to recess the meeting until Union representation can be obtained before continuing with any such disciplinary meeting.

7.5 Jurisdiction

The parties acknowledge that the City of Altamont's Police Committee has exclusive jurisdiction of appeal of all suspensions and the issuance of suspensions greater than five (5) days as well as for discharge of a member officer although nothing in this Agreement affects the right of Administrative Review of a decision by the Police Committee pursuant to Illinois Civil Procedure 735 ILCS/5 "Administrative Review".

7.6 Conference

Except when detrimental to the general welfare of the City, or when the Chief of Police deems that a Formal Interrogation under the Uniform Peace Officers' Act is not necessary, any employee covered by this Agreement shall have the opportunity, prior to suspension or dismissal, to have Union representation at a conference with the Chief of Police or his designee and at that time, to have full opportunity to review the allegations or reasons for suspension or dismissal and to have ample opportunity to rebut such allegations or reasons, akin to *Cleveland Board of Education v. Loudermill*, 470 U.S. 532, 105 S. Ct. 1487 (1985) and its progeny.

ARTICLE VIII

SENIORITY

8.1 Definition of Seniority

An employee's seniority shall be the period of the employee's most recent continuous regular full-time employment as a Police Officer, provided

however, that entitlement to employee benefits shall be based on city-wide seniority.

8.2 Hiring Date Conflicts

In the event that more than one employee covered by this Agreement has the same date of hire, seniority of the employees involved shall be resolved based on the order in which their names first appeared on the City and/or Police Department eligibility list, with the earliest name appearing on the list being the most senior Officer. Or, if the ranking of employees on an eligibility list shall not conclusively establish seniority, the dates that original Police Department applications were received shall be used for such purpose.

8.3 Probationary Period Seniority

All newly-hired Sworn Police Officers shall be considered probationary employees until they successfully complete a probationary period of twelve (12) months from the date of hire. Seniority among probationary Officers shall not apply until after they complete their probationary period, in which case they shall then be deemed to have accrued twelve (12) months of seniority with the Police Department. All appropriate benefits, including ranking on the Police Department Seniority List, shall accrue to all covered employees who have completed twelve (12) months of service to the Police Department.

8.4 Accrual and Non-Accrual of Seniority

Seniority shall accrue on a continuous basis following the twelve (12) month probationary period and shall be a determining factor in all such matters in which Officers shall be deemed to have the right to choose. Seniority shall not accrue during any periods in which an Officer is on an unpaid authorized leave of absence or an unpaid disciplinary suspension in excess of thirty (30) days. However, seniority shall continue to accrue during any sick leave or disability leave that an employee may experience, provided that such leave does not exceed twelve (12) months. After twelve (12) months of continuous sick leave or

continuous disability leave, employees shall not continue to accrue seniority. However, any seniority such employees have accrued up to that point shall continue to be carried by the City in their names. Further, any employees who return to work as full-time Sworn Police Officers following extended sick leaves or extended disability leaves shall be entitled to claim and exercise all Police Department seniority they have accumulated up to the point that their seniority ceased to accrue and, upon their return to active duty, the seniority of such employees shall once again continue to accrue.

All seniority shall be lost by an employee who:

- a) voluntarily quits or resigns
- b) is discharged for cause
- c) retires
- d) does not return to work from layoff within three working days following receipt of notice to return
- e) has been on layoff or leave of any type for a period in excess of one year
- f) is absent from work for three consecutive working days without notifying the Chief unless the employee was unable to provide notice due to extenuating circumstances. After absence for three consecutive working days without notice, the Chief shall give written notice to the employee at his last known address that his seniority and employment have been terminated and provide a copy to the Union.

8.5 Seniority and Reduction In Force

If the City determines that a reduction of force is necessary, it shall be implemented based on skill, ability and qualification as determined by the City, with seniority being the tie breaker. Further, any Officer removed from the force as a result of this procedure shall be subject to recall for a period of one (1) year before any new employees are hired to replace them.

8.6 Seniority and Vacation Scheduling

Vacations shall be selected and scheduled based on seniority and the bargaining unit shall settle any conflicts pertaining to seniority pursuant to this Article VIII §2 entitled "Hiring Date Conflict". There shall be no "bumping" of scheduled vacations by Officers with greater seniority after a request has been approved.

8.7 Seniority and Overtime

Scheduled overtime assignments of Police Officers covered by this Agreement shall be based on Police Department seniority meaning Officers will be offered overtime starting with the most senior officer then down to the most junior Officer. Full-time bargaining unit member officers will be offered any unscheduled overtime first by seniority before it is offered to a Part-time Officer. Part-time Officers are not part of the bargaining unit and this Article does not affect the scheduling of Part-Time Officers.

8.8 Seniority and Rescheduling (Trading) Of Shifts

The City agrees that regularly scheduled shifts and regularly scheduled days off may periodically be voluntarily traded between individual Officers without regard to seniority, with the approval of the Chief. In such instances, both Officers involved in a given shift trade must notify and obtain approval from the Chief of Police or his designee at least twenty four (24) hours in advance of the starting time of the shift being traded. Also, such voluntary shift rescheduling must be reciprocal so that the City will not be obligated to compensate either Officer at an overtime rate, unless the original shift being traded was to have been an overtime shift. Nothing in this Article shall prevent an officer from reciprocating by transferring Compensatory Time in lieu of working.

ARTICLE IX

EMPLOYMENT PRACTICES & PROCEDURES

9.1 Court Time Compensation

The City agrees that all full-time sworn Police Officers will be compensated for Court appearances at the minimum rate of three (3) hours at the rate of one and one-half (1 ½) times the regular rate of pay if such appearance is scheduled at a time that the Officer would not normally be working. If the Court appearance is scheduled for a time when the Officer works a full shift on the same day, either before or after the Court appearance, the three (3) hours at the rate of one and one-half (1½) times the regular hourly rate of pay shall be paid to him or her providing it is not during his or her regularly scheduled shift. For example, if an Officer works third shift and has a Court appearance at 1:30 p.m., and the Court appearance ends before the regular third shift starting time, that Officer will be paid for three (3) hours. If the Court time runs past the Officer's scheduled shift starting time that Officer's compensation shall begin with the start of the Court call and shall continue uninterruptedly through the Officer's scheduled shift.

For Court appearances that occur during an Officer's regularly scheduled shift, there shall be no additional compensation. Also, an Officer will be paid for only one three (3) hour minimum block of Court time per day. For example, if an Officer has a 9:00 a.m. Court call on a day that he or she would not otherwise be working, and if that Officer must return for a 1:30 p.m. Court call, he or she will be paid for three (3) hours for the morning Court call and on an hour-for-hour basis for the afternoon Court call at the rate of one and one-half (1 ½) the regular hourly rate of pay.

9.2 Call-In Compensation

The City agrees that any Officer who is called in prior to the start of a regularly scheduled shift, or who is called in on what would otherwise be a regularly

scheduled day off, shall be compensated for a minimum of two (2) hours, to be paid at the normal overtime rate of pay.

9.3 Uniform Allowance

As soon after their date of hire as is reasonable and practicable, the City agrees to provide all probationary Officers with uniforms and necessary equipment prior to the start of such probationary Officer's first shift as a sworn Altamont Police Officer. Thereafter, the City will reimburse all Officers for uniforms and other related equipment in an amount up to \$600 per year, subject to the approval of the Chief and upon providing an appropriate proof of purchase. The Officer's annual allowance can be used to purchase any and all authorized uniform equipment to include any work related items. All items purchased with the annual allowance become the property of the officer unless the officer is dismissed for cause. Additionally, the City agrees to provide each sworn Officer with a new body armor vest, at a level IIA or its equivalent and vest carrier immediately upon completion of the Officer's probationary period and once every five years thereafter. The Officer may upgrade the vest but will pay for the difference in cost.

The City will also provide retired Officers with a retirement star and Identification upon request.

If an officer uses any of the uniform allowance for the purchase of a weapon, upon separation of service, the weapon shall be returned to the City. The officer shall be given the opportunity to purchase the weapon at fair market value.

9.5 Overtime Compensation and Compensatory Time

Full-time Sworn Police Officers may be required to work overtime in both emergency and non-emergency situations. In either case, overtime shall be duly authorized and approved by the Chief of Police or his designee. Officers required to work overtime shall be compensated for such time at the rate of one and one-half (1½) times the regular hourly rate of pay. Overtime is defined as all

"hours worked" in excess of their regularly scheduled shift or all assigned work in excess of forty (40) hours in any one pay period (including the Officer's required days off) and shall be earned in minimum increments of thirty (30) minutes each. Nothing in this section shall conflict with the holiday overtime rate described in Article X and XI of this Agreement.

Overtime shall be paid along with the regular-time compensation in the Officers' regularly scheduled paychecks, unless individual officers elect to receive their overtime pay in the form of compensatory time. Officers will be eligible to take compensatory time in lieu of overtime payments, subject to the requirements of the Fair Labor Standards Act and subject to approval by the Chief. All Officers will be able to accumulate compensatory time up to a limit of one hundred fifty (150) hours with a cash out provision for payment of forty (40) accumulated compensatory hours twice a year.

9.6 Account Balances

Account balances for sick leave, vacation time and personal days shall be expressed on the paycheck stubs of individual Officers. A compensatory time spread sheet shall be posted monthly.

9.7 Secondary Employment

The City agrees that all full-time sworn Police Officers covered by this Agreement who desire to take on secondary employment may only do so upon approval of the Chief of Police. Prior to accepting secondary employment, the officer shall submit a request to the Chief of Police or his designee for approval. It shall state, among other information, the name of the secondary employer, a contact person, the nature of the secondary employment and the expected days and hours of work per week.

9.8 Squad Car Assignments

The Mayor and City Council may assign a take home squad car to any full-time police officer at his discretion.

9.9 Rules, Regulations, Policies and Procedures

The Chief of Police or his designee may promulgate to all covered Officers, copies of all City and Police Department Rules, Regulations, Policies and Procedures that pertain to Police work and the specific duties of full-time Sworn Altamont Police Officers upon amendment or revision. Officers will sign a cover sheet indicating that they have received the materials. If an Officer requires an additional copy of these materials, or if subsequent updating of these materials becomes necessary, he or she may use the Department's copy machine for this purpose. It is understood that by distributing copies of such written Rules, Regulations, Policies and Procedures that guide their daily activities, that a higher level of professionalism in Police work will be realized. However, in the event that any existing or future Rule, Regulation, Policy or Procedure directly conflicts with the Articles or Sections of this Agreement, this Agreement shall take precedence over such conflicting Rules, Regulations, Policies and procedures.

ARTICLE X

HOLIDAYS AND LEAVES

10.1 Holidays

The City of Altamont agrees that all bargaining unit members shall receive at least ten (10) annual paid holidays. Officers who work on any of the holidays listed will be paid at the rate of one and one half (1 ½) times their regular rate of pay for all hours worked and an additional standard shift hours of pay at the regular rate.

The Holidays Are:

New Year's Day	Labor Day	Good Friday
Thanksgiving Day	Memorial Day	Easter
Friday After Thanksgiving	Independence Day	Christmas Day
Christmas Eve		

The day after Christmas upon the discretion of the Mayor

10.2 Personal Leave/Sick Leave Days

The City agrees to provide all full time Sworn Police Officers with eight (8) paid personal/sick leave days per calendar year. Personal Leave days can be used for personal business or for an illness of his/her own or that of a spouse, child, or parent. Personal Leave days can be used in minimum increments of one-half day. Officers shall accrue 6.67 hours of Personal/Sick Leave for each calendar month (80 hours / 12 months = 6.67 hours).

Up to eight (8) unused paid personal/sick leave days in any given year may be rolled over to the following year and each year thereafter, and may be accumulated up to a maximum of sixty (60) days during an Officer's career. Personal/sick leave in excess of sixty (60) days which is not used by December 31 of each year shall be lost.
