## AGREEMENT

This Agreement is made and entered into by and between the City of Highland Park (hereinafter referred to as the "City") and the Illinois Council of Police (hereinafter referred to as the "Union").

It is the intent and purpose of this Agreement to set forth the parties' entire agreement with respect to the rates of pay, hours of employment, fringe benefits, and other conditions of employment that will be in effect during the term of this Agreement for employees covered by this Agreement; to prevent interruptions of work and interference with the operations of the City; to encourage and improve efficiency and productivity; to maintain the highest standards of personal integrity and conduct at all times; and to provide procedures for the prompt and peaceful adjustment of grievances as provided herein.

### **ARTICLE I RECOGNITION AND REPRESENTATION**

Section 1.1 Representative Unit. The City recognizes the Union as the sole and exclusive bargaining representative for all sworn full time peace officers in the rank of sergeant (hereinafter referred to as "sergeants" or "employees"), but excluding all sworn peace officers above and below the rank of sergeant, any employees excluded from the definition of "peace officer" as defined in Section 3(k) of the Illinois Public Labor Relations Act; supervisory, managerial, confidential employees and short-term employees as defined by the Act; and all other persons excluded from coverage under the Act.

Section 1.2 Probationary Sergeants. Probationary sergeants are covered by the terms of this contract; however, the parties recognize that probationary sergeants can be demoted to their former rank without cause. The probationary period is twelve (12) months of regular duty from

the date of promotion, excluding paid and unpaid leave, with the exception of approved vacation time off.

## **ARTICLE II DUES DEDUCTION**

Section 2.1    Dues Checkoff. With respect to any sergeant from whom the City receives individual written authorization, signed by the sergeant, in a form agreed upon by the Union and the City, the City shall deduct from the wages of the sergeant the dues and initiation fee required as a condition of membership in the Union, or a representation fee, and shall forward such amount to the Union within thirty (30) calendar days after close of the pay period for which the deductions are made. The amounts deducted shall be set by the Union.

The Union agrees to give the City at least thirty (30) calendar days' notice in writing of any change in the amount of the regular dues to be deducted. The Union further agrees that it will not submit written notification of a change in the amount of the regular dues to be deducted more than once within any twelve (12) month period of time.

Section 2.2    Indemnification. The Union shall indemnify and save the City harmless against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of any action taken by the City for the purpose of complying with any provisions of this Article. If an incorrect deduction is made, the Union shall refund any such amount directly to the involved sergeant.

### **ARTICLE III MANAGEMENT RIGHTS**

Section 3.1    Management Rights. Except as specifically limited by the express written provisions of this Agreement and applicable laws, the City retains all traditional rights to manage and direct the affairs of the City in all of its various aspects and to manage and direct its employees, including but not limited to the following: to plan, direct, control and determine the budget and all the operations, services and missions of the City; to supervise and direct the work force; to establish the qualifications for employment; to maintain a capable and efficient police force; to establish specialty positions and select personnel to fill them; to establish work and productivity standards and from time to time to change those standards; to assign overtime, to institute drug and alcohol testing; to determine the methods, means, organization and number of personnel by which such operations and services shall be made or purchased; to make, alter and enforce rules, regulations, orders, policies and procedures; to evaluate employees; to require the physical and mental fitness of employees; to discipline, to suspend, and discharge employees for just cause (probationary employees without cause); to change or eliminate existing methods, equipment or facilities or introduce new ones; to determine training needs and assign employees to training; to determine work hours; to determine internal investigation procedures; to take any and all actions as may be necessary to carry out the mission of the City and the Police Department in the event of civil emergency, riots, civil disorders, tornado conditions, floods, etc., as may be declared by the Mayor, the City Manager, Police Chief or their authorized designees; and to generally carry out the mission of the City.

**ARTICLE IV**  
**CONTINUITY OF OPERATION**

Section 4.1    No Strike. The Union will not cause or permit its members to cause, and will not sanction in any way, any work stoppage, strike, picketing or slowdown of any kind or for any reason, or the honoring of any picket line or other curtailment, restriction or interference with any of the City's functions or operations; and no employee will participate in any such activities during the term of this Agreement or any extension thereof.

Section 4.2    Union's Responsibility. Should any activity prescribed in Section 1 of this Article occur, which the Union has or has not sanctioned, the Union shall immediately:

- (a)    Publicly disavow such action by the employees or other persons involved.
- (b)    Advise the employer in writing that such action has not been caused or sanctioned by the Union.
- (c)    Notify the employees stating that it disapproves of such action instructing all employees to cease such action and return to work immediately.
- (d)    Take such other steps as are reasonably appropriate to bring about observance of the provisions of this Article, including compliance with reasonable requests of the City to accomplish this end.

Section 4.3    Discharge of Violators. The City shall have the right to file charges seeking discharge or otherwise discipline any or all employees who violate any of the provisions of this Article. In such event, the employee or employees, or the Union on their behalf, shall have no recourse to the grievance procedure, except for the sole purpose of determining whether an employee or employees participated in an action prohibited by this Article. If it is determined that an employee did so participate, the disciplinary action taken by the City may not be disturbed.

Section 4.4 No Lockout. The City agrees that it will not lockout its employees during the term of this Agreement or any extension thereof.

Section 4.5 Reservation of Rights. In the event of any violation of this Article by the Union or the City, the offended party may pursue any legal or equitable remedy otherwise available, and it will not be a condition precedent to the pursuit of any judicial remedy that any grievance provided in this Agreement be first exhausted.

## **ARTICLE V GRIEVANCE PROCEDURE**

Section 5.1 Definition. A "grievance" is defined as a dispute or difference of opinion raised by an employee or the Union, against the City involving the meaning, interpretation, or application of this Agreement.

Section 5.2 Procedure. The parties acknowledge that it is usually most desirable for an employee and his immediate supervisor to resolve problems through free and informal communications. If, however, the informal process does not resolve the matter, the grievance will be processed as follows:

STEP 1: Any Employee who has a grievance shall submit the grievance in writing to the Deputy Police Chief specifically indicating that the matter is a grievance under this Agreement. The grievance shall contain a complete statement of facts, the provision or provisions of this Agreement which are alleged to have been violated, and the relief requested. Preparation of these written materials shall not be done during the employee's hours of work. All grievances must be presented no later than seven (7) calendar days from the event giving rise to the grievance or within seven (7) calendar days after the employee, through the use of reasonable diligence, could have obtained knowledge of the first occurrence of the event giving rise to the grievance. The Deputy Police Chief, or the Deputy Chief's designee, shall investigate the grievance and, in the course of such investigation, shall offer to discuss the grievance within seven (7) calendar days with the grievant and an authorized representative of the Union at a time mutually agreeable to the parties. If no settlement of the grievance is reached, the Deputy Police Chief or the Deputy Chief's designee, shall provide a written answer to the grievant and the Union within seven (7) calendar days following their meeting.

STEP 2: If the grievance is not settled at Step 1 and the employee wishes to appeal the grievance to Step 2 of the grievance procedure, it shall be submitted in writing to the Police Chief

within seven (7) calendar days after receipt of the City's answer at Step 1. The grievance shall specifically state the basis upon which the grievant believes that the grievance was improperly denied at the previous step in the grievance procedure. Preparation of these written materials shall not be done during the employee's hours of work. The Police Chief, or the Police Chief's designee, shall investigate the grievance and, in the course of such investigation, shall offer to discuss the grievance within seven (7) calendar days with the grievant and an authorized representative of the Union at a time mutually agreeable to the parties. If no settlement of the grievance is reached, the Police Chief, or the Police Chief's designee, shall provide a written answer to the grievant and the Union within seven (7) calendar days following their meeting.

STEP 3: If the grievance is not settled at Step 2 and the Union desires to appeal, it shall be referred by the Union in writing to the City Manager within seven (7) calendar days after receipt of the City's answer at Step 2. Thereafter, the City Manager or the City Manager's designee and the Police Chief or other appropriate individual(s) as desired by the City Manager (not to exceed three (3)) shall meet with the grievant and a Union representative and other appropriate individuals as desired by the Union representative (not to exceed three (3)) within seven (7) calendar days of receipt of the Union's appeal. If no agreement is reached, the City Manager or the City Manager's designee shall submit a written answer to the grievant and Union within seven (7) calendar days following the last meeting with the City Manager, or from which all supporting information requested from the Union is received, whichever is later.

STEP 4: Arbitration. If the grievance is not settled in Step 3 and the Union wishes to appeal the grievance from Step 3 of the grievance procedure, it may refer the grievance to arbitration, as described below, within thirty (30) calendar days of receipt of the City's written answer as provided to the Union at Step 3.

(a) In the absence of agreement on a neutral arbitrator, the parties shall file a joint request with the Federal Mediation and Conciliation Service ("FMCS") for a panel of five (5) arbitrators from which the parties shall select a neutral arbitrator. In the event that the City representative does not sign and submit said request to FMCS or return it to the Union fully signed within ten (10) calendar days after receipt by the City representative, the Union may file a request that is consistent with the provisions of this subsection with the FMCS signed only by it with notice to the City. The parties agree to request the FMCS to limit the panel to members of the National Academy of Arbitrators who reside within a radius of 100 miles of the City of Chicago. Both the City and the Union shall each have the right to reject one (1) panel in its entirety, on written notice to the other, within seven (7) calendar days of its receipt and request that a new panel be submitted. The City and the Union shall have the right alternately to strike names from the panel. The party

requesting arbitration shall strike a name, the other party shall then strike a name, and this procedure shall continue until one (1) name remains. The person remaining shall be the arbitrator.

(b) The arbitrator shall be notified of his/her selection and shall be requested to set a time and place for the hearing, subject to the availability of Union and City representatives.

(c) The arbitrator shall endeavor to submit his/her decision in writing within thirty (30) calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later.

(d) More than one (1) grievance may be submitted to the same arbitrator where both parties mutually agree in writing.

(e) The fees and expenses of the arbitrator and the cost of a written transcript shall be divided equally between the City and the Union; provided, however, that each party shall be responsible for compensating its own representatives and witnesses.

Section 5.3 Limitations of Authority of Arbitrator. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only whether there has been a violation, misinterpretation or misapplication of the specific provisions of this Agreement. The arbitrator shall be empowered to determine the issue or issues reasonably raised by the grievance as initially submitted. The arbitrator shall have no authority to make a decision on any issue or issues not so reasonably raised. The arbitrator shall be without power to make any decision or award which is contrary to or inconsistent with applicable laws. Any decision or award of the arbitrator rendered within the limitations of this Section shall be final and binding upon the City, the Union and the employees covered by this Agreement.

Section 5.4 Time Limit for Filing. No grievance shall be entertained or processed unless it is submitted within the time limits set forth in Step 1.

If a grievance is not presented by the employee or by the Union (as defined above) within the time limits set forth above, it shall be considered "waived" and may not be pursued further. If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the City's last answer. If the City does not answer a grievance or an appeal thereof within the specified time limits, the aggrieved employee or the Union, whichever is applicable, may elect to treat the grievance as denied at the step and, within fifteen (15) calendar days after the City's answer was due, appeal the grievance to the next step. The parties may by mutual agreement in writing extend any of the time limits set forth in this Article.

Section 5.5 Bypassing Steps. The parties may by mutual agreement in writing agree to bypass one (1) or more steps of the grievance procedure. Any grievance filed by the Union shall be initiated at Step 2.

## **ARTICLE VI SENIORITY**

### Section 6.1 Definition of Seniority.

(a) Seniority for purposes of benefit accrual only shall be defined as an employee's length of full-time continuous service as an employee of the City of Highland Park, calculated from the most recent date of hire.

(b) In the event that two (2) or more sergeants have the same seniority date, seniority shall be determined by the officer's placement on the Board of Fire and Police Commission's eligibility list.

(c) City employees who become sergeants shall be afforded seniority credit only for the purpose of computing years of service for vacation credit.

(d) Seniority, when considered for purposes of selection and usage of initial time off picks, as provided elsewhere in this Agreement, shall be based upon the employee's length of full-time continuous service as a sworn police officer for the City of Highland Park.

(e) Seniority, when considered for purposes of selection and usage of vacation and other accrued time off throughout the year after initial time off picks, as provided elsewhere in this Agreement, shall be based upon seniority in grade.

(f) For purposes of shift selection seniority in grade will be utilized.

Section 6.2 Loss of Seniority. Seniority shall be lost and the employment relationship terminated if any of the following occurs:

(a) The employee resigns or quits;

(b) The employee retires;

(c) The employee is discharged or permanently removed from the payroll, and the separation is not reversed;

(d) The employee does not return to work at the expiration of a leave of absence;

(e) The employee is absent for three (3) consecutive scheduled workdays without authorization; or

(f) The employee does not return to work when recalled from layoff.

Section 6.3 Application of Seniority. Seniority shall be considered for the following: layoffs as specified in the Illinois Compiled Statutes.

Section 6.4 Layoffs. Should the City determine that it is necessary to decrease the number of employees in the bargaining unit, it will lay off employees by seniority, as provided in 65 ILCS 5/10-2.1-18 in the Illinois Compiled Statutes, as amended. Where practicable, affected employees and the Union will be given notice of contemplated layoffs at least two (2) weeks prior to the effective date of the layoff(s).

Section 6.5 Preferred Right to Reappointment. If a sergeant is laid off during the term of this Agreement and exercises his or her seniority to bump down into a patrol officer position, and thereby displaces a less senior patrol officer, such former sergeant shall have a preferred right to reappointment to the next vacancy in the position of sergeant which the City decides to fill, provided:

- (a) such officer has remained employed by the City and then meets the minimum requirements for an entry level sergeant without additional training; and
- (b) if such vacancy arises more than five (5) years after the sergeant was demoted, such officer shall be considered a probationary sergeant under Section 1.2 of this Agreement if he exercises his preferred right of reappointment; and
- (c) nothing herein shall obligate the City to reappoint a former sergeant who was demoted more than eight (8) years earlier, or who, following his return to a patrol officer position, had a significant shortcoming which in the opinion of the City renders it inappropriate to promote such person to the rank of sergeant.

Section 6.6 Notice of Recall. Sergeants who are eligible for recall shall be given ten (10) calendar days' notice of recall, which shall be sent to the sergeant by certified or registered mail, return receipt requested, with a copy to the Union. The sergeant must notify the Police Chief or his designee of his intention to return to work within five (5) calendar days after receiving notice

of recall. The City shall be deemed to have fulfilled its obligations by mailing the recall notice by certified or registered mail, return receipt requested, to the mailing address last provided by the sergeant. It shall be the obligation and responsibility of the sergeant to provide the City Human Resources Director, or the Director's designee, with his latest mailing address. If an sergeant fails to timely respond to a recall notice by return mail or in person, his name shall be removed from the recall list. Laid off employees shall have recall rights for a period of one (1) year.

Section 6.7 Seniority List. As soon as practicable after the signing of this Agreement, the City will furnish the Union a list showing the name, job title and last hiring date of each employee in the bargaining unit, and whether the employee is entitled to seniority or not. The City shall also post the seniority list.

Within thirty (30) calendar days after the date of posting, an employee must notify the City of any alleged errors in the list or it will be considered binding on the employee and the Union from that time forth. A revised seniority list will be posted once a year. After such posting, an employee must notify the City of any alleged errors within thirty (30) calendar days, or the information in the list shall be considered forever binding on the employee and the Union.

## **ARTICLE VII DISCIPLINE**

Section 7.1 Discipline. The parties agree that the Chief of Police (or the Chief's designee) shall have the right to suspend a non-probationary officer for up to thirty (30) days or dismiss a non-probationary officer for just cause, without filing charges with the City Board of Fire and Police Commissioners. The decision of the Police Chief or the Chief's designee with respect to the suspension or dismissal action shall be deemed final, subject only to the review of said decision through the grievance and arbitration procedure, provided a grievance is filed in

writing within seven (7) calendar days after such discipline is imposed. The sole recourse for appealing any such decision by the Chief of Police shall be for the employee to file a grievance as described herein.

If the employee elects to file a grievance as to his or her suspension or dismissal, the grievance shall be processed in accordance with Article V of this Agreement, except that it shall be filed at Step 3 of the procedure. If the grievance proceeds to arbitration and the arbitrator determines that the disciplinary action was not supported by just cause the arbitrator shall have the authority to rescind or to modify the disciplinary action and order back pay, or a portion thereof. No relief shall be available from the Board of Fire and Police Commissioners with respect to any matter which is subject to the grievance and arbitration procedure set forth in Article V of this Agreement. Any appeal of an arbitrator's award shall be in accordance with the provisions of the Uniform Arbitration Act as provided by Section 8 of the IPLRA.

Pursuant to Section 15 of the IPLRA and 65 ILCS § 10-2.1-17, the foregoing provisions with respect to the appeal and review of suspension or discharge decisions shall be in lieu of, and shall expressly supersede and preempt, any provisions that might otherwise be contained in the Rules and Regulations of the City Board of Fire and Police Commissioners.

The discipline of probationary officers, as well as any verbal warnings, written reprimands, written warnings or other discipline not involving an unpaid suspension or dismissal shall not be subject to the grievance and arbitration procedure.

Section 7.2 Confidentiality/Non-Disclosure. Neither the City nor the employee shall supply a photograph or furnish to the media or otherwise make public any information concerning an employee under investigation, prior to a conviction for a criminal offense or prior to a final

decision being rendered in connection with the dismissal of an employee, except as otherwise may be required by law.

Section 7.3 Personnel Files. Employees shall be entitled to inspect their personnel files in accordance with the provisions of the Personnel Record Review Act. The City shall maintain one (1) official personnel file for each employee. Upon reasonable request, an employee shall have the right to review the non-confidential documents in his personnel file, provided that no documents in an employee's file shall be marked or altered. An employee may request that a copy of any of the non-confidential documents in his personnel file be copied. If such request is made, the employee may be requested to reimburse the City for the reasonable cost of copying any such documents (not to exceed the charges the City assesses for Freedom of Information Act requests). An employee may insert a signed and dated written rebuttal/explanation of any report into his/her file in a timely fashion.

Section 7.4 Notices. A copy of all suspension and discharge notices shall be provided to the employee and the Union, either in person or by mail.

Section 7.5 Uniform Peace Officer's Disciplinary Act. While the provisions of the Uniform Peace Officer's Disciplinary Act, 50 ILCS 725/1 et. seq., are not incorporated into this Agreement, the parties agree that nothing in this Agreement shall be construed as a waiver of an individual sergeant's rights under said Act.

## **ARTICLE VIII GENERAL PROVISIONS**

Section 8.1 Bulletin Boards. The City shall provide space on a bulletin board for use by the Union for the posting of official Union notices of a non-political, non-inflammatory nature.

Posting of Union notices shall be limited to such bulletin board, but with written permission of the Police Chief or his designee notices may be posted elsewhere.

Section 8.2 No Discrimination. The City shall not discriminate in employment by reason of race, color, religion, national origin, political belief or activity, age, sex, marital status, handicap or activity on behalf of the Union.

Employees asserting a violation of this Section may process their grievance up to, but not including, binding arbitration. Employees dissatisfied with the disposition of such grievances may seek redress before the appropriate administrative agency or in the appropriate court.

Section 8.3 Indemnification. The City agrees to indemnify sergeants in accordance with 65 ILCS 5/1-4-6.

Section 8.4 Secondary Employment. With the exception of Off Duty Details as regulated in the Department's Policy and Procedure Manual, employees shall not be employed by employers other than the City, nor shall they contract or accept anything of value in return for services, nor shall they otherwise be self-employed for remuneration, without the advance written approval of the Police Chief and the City Manager. Employees may not hold outside jobs including self-employment which will: (1) result in a conflict of interest, or appearance thereof; (2) result in work for the City; (3) result in outside work during an employee's work shift; (4) involve the use of any City equipment, uniform, badge, weapon or other supplies; (5) involve work on any premises or in any establishment which is a dram shop; (6) foreseeably require exercise of any official authority conferred by the City; or (7) infringe on their ability to fully perform their job duties for the City. Employees seeking permission to perform outside employment shall annually apply in writing for approval on a form to be provided by the City. Such application shall be approved or denied in writing and within a reasonable period of time.

Once approved for a given year, such approval will not be unreasonably revoked by the City. Any grievance contesting the City's decision to revoke such approval shall be initiated at Step 3 of the Grievance Procedure.

Section 8.5 Policies and Procedures. Notwithstanding any other provision of this Agreement, the Union Steward must be notified a reasonable period of time in advance of any changes in departmental general orders.

Section 8.6 No Solicitation. The Union agrees that its sergeants, agents, affiliated organizations and members will not solicit merchants, residents or citizens for contributions or donations without prior written approval of the City Manager.

Section 8.7 Union Representatives. Duly authorized Union business representatives will be permitted access at reasonable times to the premises of the City for the purpose of handling grievances or otherwise representing employees pursuant to the provisions of this Agreement. These business representatives will be identified to the Police Chief or his designee in a manner suitable to the City and on each occasion will first secure the prior approval of the Police Chief or his designee to enter and conduct their business so as not to interfere with City operations. If such approval is granted, the Police Chief or his designee shall designate the area where such business is to be conducted and the period of time to be provided. The Union will not abuse this privilege, and such right of entry shall at all times be subject to general department rules applicable to non-employees.

Section 8.8 Union Stewards. The City recognizes the right of bargaining unit members to select Union Stewards. The Union shall provide the Police Chief with the name of the Chief Union Steward and any other Stewards selected by the Union. The Chief Union Steward shall not

be permitted to conduct Union business during working hours without the specific advance written approval of the Police Chief or the Police Chief's designee.

Section 8.9 Drug and Alcohol Testing. To ensure that employees can perform their duties without endangering themselves, City property or the public, employees must be free from illegal drugs and alcohol at all times when in the workplace, performing any work or job-related duties, or driving a City vehicle. This means that no detectable amount of alcohol, illegal drugs (illegal drugs includes legal drugs used without a valid prescription), controlled substances, or any combination thereof, can be present in the employee's system while on the job, either during the regularly scheduled workday, during performance of any overtime or during an emergency response. Many legal and illegal drugs used for recreational purposes may remain in the system for several days. Residual amounts of illegal drugs discovered in the system are included in this policy.

The sale, transfer, distribution, or possession of alcohol, illegal drugs, controlled substances, drug paraphernalia, or any combination thereof on any City premises or work sites (including City vehicles and any private vehicles parked on any City property or work sites) is prohibited and will not be tolerated. (This does not apply to items such as sealed alcohol purchased for home use and stored in a personal vehicle or legally prescribed or non-prescription medicine.) Employees do not have any expectation of privacy in their work areas, desks, computers, any City property, including but not limited to, lockers, storage areas, telephones, voice mail, or vehicles. The City may, at its discretion, search any City property at any time.

Any employee who is taking prescription or non-prescription medicine should notify his immediate supervisor if the product information or doctor or pharmacist warnings indicate that the substance may be reasonably expected to impair the employee's performance. Any precautions

that should be taken as a result of the drug's use (i.e. should not drive or operate equipment, should avoid exposure to the sun, etc.) are to be furnished to the supervisor as well.

Employees are required to submit to a test for the presence of drugs, narcotics or alcohol as outlined below:

A. When there is reasonable suspicion that an employee is under the influence of drugs or alcohol in violation of this policy. "Reasonable suspicion" includes

1. reduced productivity
2. observation of drug or alcohol use
3. apparent drug or alcohol intoxication
4. the smell of alcohol or marijuana
5. slurred speech
6. abnormal, careless or erratic behavior
7. vehicle accidents
8. a single accident inflicting damage to property
9. high absenteeism
10. other behavior inconsistent with previous performance
11. unnecessary use of force or other irrational behavior
12. deterioration in work performance as documented in the City's Reasonable Suspicion Checklist (Appendix A).

B. Where there is serious on-duty injury to the employee or another person, or

C. Where there is damage to City equipment in excess of \$1,000

D. Where there is property damage in excess of \$1,000

Prior to any testing, a Reasonable Suspicion Checklist should be completed by a supervisor or department head.

A drug test will be required as part of each routine physical examination and physical examination required for promotion or specialized assignment based on departmental or City policy, except as prohibited by law.

An employee will be subject to disciplinary action, up to and including immediate termination, as determined in management's discretion, when, test results positively indicate any of the following:

- The presence of illegal drugs or narcotics;
- The use of prescription drugs without a prescription;
- The abuse of any over-the-counter drug;
- The presence of alcohol.

Disciplinary action, up to and including immediate termination may result from an employee's refusal to submit to any of the following:

- A lawful drug or alcohol examination (interview, testing by lawful electronic devices, etc.);
- A search or inspection of the employee's personal property, vehicle, respective work area, storage area, and work sites located on City premises, facilities, and any other property owned by the City;
- A search or inspection of City-assigned vehicles or equipment;
- Physical testing (i.e., urine sample, blood sample, physical examination, sobriety examination, etc.).

E. As required by law following Officer Involved Shootings.

F. Each sergeant may be tested without reasonable suspicion and without meeting the criteria in paragraphs A through E above no more than one (1) time per calendar year. Such suspicionless testing may only be done during the sergeant's on duty hours.

#### Section 8.10 Drug and Alcohol Cutoff Levels

Any alcohol level in excess of .02% shall be considered a positive alcohol test. The standards for determining whether a test is considered positive for the presence of drugs shall be the same standard used by the Department of Transportation as may be amended from time to time by the Department of Transportation. Currently, this means the thresholds are as follows:

<b><u>Substance</u></b>	<b><u>Initial Test</u></b>	<b><u>Confirmatory Test</u></b>
Marijuana metabolites	50 ng/mL	15 ng/mL
Cocaine metabolite	150 ng/mL	100 ng/mL
Codeine/Morphine	2000 ng/mL	2000 ng/mL
Hydrocodone	300 ng/mL	100 ng/mL
Oxycodone	100 ng/mL	100 ng/mL
6-Acetylmorphine	10 ng/mL	10 ng/mL
Phencyclidine	25 ng/mL	25 ng/mL
Amphetamine/Methamphetamine	500 ng/mL	250 ng/mL
MDMA/MDA	500 ng/mL	250 ng/mL

Additional controlled substances may be tested for and cut off levels will be set at current scientifically acceptable levels.

No sergeant shall accumulate vacation credit during any layoff, suspension, medical leave of absence, military leave of absence, or personal leave of absence. Vacation time must be scheduled and approved in advance by the Police Chief. In addition, vacation credit shall be drawn upon in the event any given full-time employee is ill and has used all of his accumulated sick leave.

Accumulated vacation credit of not more than two hundred forty (240) hours may be carried over from one (1) calendar year to another.

Section 10.2 Vacation Scheduling. All vacations shall be scheduled in advance, subject to approval by the Chief of Police or his designee. Vacation picks are selected separately between Patrol & Specialty Supervisor personnel. Sergeants make selection with Commanders from their respective units, based on overall police department seniority during an annual vacation pick period specified by the City. Thereafter, vacation picks among sergeants will be considered on a first come, first served basis and will be based upon time in grade seniority. Notwithstanding any other provision of this Agreement, it is expressly agreed that the final right to designate, approve and cancel vacation periods is exclusively reserved by the Chief of Police in order to ensure the orderly performance of the services provided by the City.

Section 10.3 Holiday Pay and Personal Days.

(a) In lieu of being granted time off on the holiday observed by the City, each employee shall be credited with nine (9) eight (8) hour days off each calendar year. Sergeants scheduled to work on New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day shall receive time and-a-half for all hours worked on such days.

(b) In addition, each employee shall be credited with four (4) personal days (i.e., four (4) eight (8) hour days) off each calendar year. Personal days are scheduled pursuant to a request by each individual employee subject to approval by the Police Chief.

Employees called in early or held over immediately preceding or following a scheduled shift on New Year's Day, Independence Day, Thanksgiving Day or Christmas Day shall receive an additional half-time premium for hours worked in excess of eight (8) on such days. This premium shall apply only to hours worked that are contiguous to the scheduled eight (8) hour shift

and shall be in addition to the holiday pay premium due for such days under subsection (a) under this Section.

(c) Employees working special duty assignments on Independence Day shall receive an additional half-time premium for hours worked in addition to the Independence Day Holiday Pay as set forth in Section 10.3 (a). Special duty shall not include assignments on a regularly scheduled shift.

Section 10.4 Vacation Pay. Upon termination of employment for any reason, a sergeant shall receive a lump sum check as compensation for all earned but unused vacation time at the sergeant's regular straight-time rate of pay then in effect for the sergeant's regular job classification.

## **ARTICLE XI LEAVES OF ABSENCE**

Section 11.1 Jury Leave. Should any employee covered by this Agreement be legally required to serve on a jury, that employee shall be excused from work without loss of regular straight-time pay for the days or portions thereof on which the employee must be present for such service and on which the employee would have otherwise been scheduled to work. The employee shall submit a certificate evidencing that he/she appeared and served as a juror and shall remit any juror fee to the City.

Section 11.2 Military Leave. Military leave shall be granted in accordance with applicable law.

Section 11.3 Funeral Leave. A sergeant may be granted a funeral leave of up to three (3) consecutive working days without loss of pay in case of death of a member of the sergeant's immediate family, as defined in this Agreement, for the purpose of attending the funeral (including making arrangements for the funeral and attending a wake and/or burial).

For purposes of this Section, a sergeant's immediate family is defined as follows:

- (a) Spouse
- (b) Son or daughter
- (c) Mother or father
- (d) Sister or brother
- (e) Mother-in-law or father-in-law
- (f) Sister-in-law or brother-in-law
- (g) Grandparents or grandparents-in-law
- (h) Grandchild
- (i) Stepparents
- (j) Stepchildren
- (k) Any relative living in the employee's home

Section 11.4 Accrual of Benefits. Whenever an employee is on a duty-related injury leave, he shall continue to accrue sick days and vacation time, to the extent required by law.

Section 11.5 On-the-Job Duty Injury Leave. Sergeants will be eligible for on-the-job duty injury leave in accordance with the City policy concerning duty-related illness, injury or disability which is in effect on the date this Agreement is executed.

Section 11.6 Sick Leave. At the beginning of each calendar year, full-time employees are credited with ninety-six (96) hours or twelve (12) days of paid sick leave. Sick time must be used in a minimum of one-hour increments.

At the discretion of the Chief of Police or his designee, sick leave with pay may be authorized for the following purposes only:

- Personal illness;

- Medical or dental appointments (Whenever possible, appointments should be scheduled during non-work hours);
- Enforced quarantine of the employee;
- Sickness in the immediate family;\*
- Whenever bereavement leave has been exhausted.

*\*For purposes of sick leave utilization, "immediate family" includes an employee's spouse, child, step-child, parent, step-parent, brother, sister, father-in-law, mother-in-law, grandchild, grandparent, legal ward, and any relative living in the employee's home.*

When an employee's absence is due to a "serious medical condition" as defined under Family and Medical Leave Act, a "Leave of Absence Request" must be completed even though the employee may be using available sick leave time. A physician or dentist's report may be required before any sick leave with pay is allowed. In the event the Police Chief or his designee feels an employee is abusing sick leave, requests for sick leave may be denied. It is the employee's responsibility to keep his supervisor informed of his condition and when he expects to return to work.

Vacation credits and accrued personal days will be drawn upon in the event an employee is ill and has exhausted all of his current sick leave allotment.

#### Section 11.7 RHS Plan

Administration of the Retirement Health Savings (RHS) Plan shall be governed by the RHS Plan document as may be changed from time to time by agreement of the parties. The Union shall notify the City of the contribution method.

Employee eligibility for participation in the RHS Plan, withdrawals, qualified expenses, benefits provided, and the tax effect of providing those benefits shall all be governed by the terms and conditions set forth in the RHS Plan document, as of the date of the execution of this Agreement and as the same may be changed from time-to-time by agreement of the parties.

Currently, the Reduction in Salary for all bargaining unit members shall be 2.0% of earnings. All eligible employees are required to participate in the RHS plan.

It is specifically understood and agreed that the City shall have no obligation to contribute any monies to the RHS Plan on behalf of any or all full-time employees.

In the event that any portion of the RHS Plan should be held invalid and unenforceable by any court of competent jurisdiction or by reason of any existing or subsequently enacted legislation, such decision or legislation shall only apply to that portion of the RHS Plan rendered invalid or unenforceable, and the remaining portions of the RHS Plan shall remain in full force and effect.

## **ARTICLE XII MISCELLANEOUS PROVISIONS**

Section 12.1 Hepatitis B Virus Inoculations. The City shall provide, at City expense, a Hepatitis B Virus (HBV) Inoculation Series to any sergeant wishing to be inoculated. Additionally, if requested by the sergeant, the City shall provide a verification test of successful inoculation to any sergeant that received the inoculation series, and any additional inoculations necessary. The City may provide, at its expense, such further prophylactic inoculations as it determines necessary or appropriate.

Section 12.2 Communicable Diseases. Upon notification that an employee is significantly exposed in the course of duty to the risk of transmission of disease, as defined by the U. S. Center for Disease Control, from a person determined to have a disease process of a contagious or infectious nature, the employee shall immediately be notified of such by the City and shall be granted, at City expense, medically necessary tests and/or screening, and prophylactic treatment as determined appropriate by a doctor designated by the City.

Section 12.3 Physical Fitness. The City may establish a reasonable wellness-fitness program, which may include individualized and departmental goals. While employees may be required to participate in any such program while on duty, no employee will be disciplined for failure to meet any goal that may be established, as long as the employee makes a good faith effort, as determined by the Police Chief, to meet any such goals.

Employees are encouraged to participate in incentive programs offered by the Police Chief as well as the "fitness bonus hour" program offered by the City.

Section 12.4 Uniforms.

(a) Uniforms - Police Sergeants. All full-time Sergeants shall be issued a full set of uniforms and equipment at the time of employment. Thereafter, within available funds, sergeants shall be provided replacement uniforms and equipment pursuant to the Department's quartermaster system.

(b) Uniforms - Detectives. All full-time Detectives shall receive a clothing reimbursement allowance of \$800 per contract year. This amount shall be pro rated during the year in which a sergeant becomes a full-time Detective. In order to receive reimbursement, the Detective must submit proof of purchase of clothing which is consistent with the General Orders and directives issued by the Chief of Police regarding appropriate attire for Detectives.

Section 12.5 Travel Time For Training. In the event the City requires an employee to attend a training course outside of City boundaries, employees will be paid and reimbursed in accordance with current practice. The City will determine the method of transportation and will make all necessary travel arrangements.

Section 12.6 Meal Allowance. There shall be a \$10.00 meal allowance for each day spent in approved training or other local training opportunities within the Chicago metropolitan area

when a meal is not otherwise provided, excluding in house training. All other expenses incurred for travel, meals, lodging, etc., in connection with professional training opportunities, shall be reimbursed in accordance with the City policy governing professional training and travel.

Section 12.7 Training. The Department will make earnest efforts to alert sergeants to available training opportunities.

Section 12.8 Temporary Duty Assignments. The Police Chief or his designee may, at his discretion, offer or assign temporary work with a physician's approval to an employee if the employee is qualified to perform such work and if the employee is unable to perform regular responsibilities because of illness, injury or disability, provided there is a reasonable expectation the employee will be able to resume full duties and responsibilities within six (6) months. This Article does not obligate the City to create new positions.

Section 12.9 Residency. Employees covered under this Agreement shall reside within Lake County, Illinois, counties contiguous to Lake County, Illinois, or DuPage or Kane Counties.

Section 12.10 Specialty Assignments. In the event that an employee has been working in a specialty position for more than three (3) months, and the employee requests to be removed from that position, the Police Chief will review the reasons for the request and give due consideration to the request.

## **ARTICLE XIII HOURS OF WORK AND OVERTIME**

Section 13.1 Application of Article. This Article is intended only as a basis for calculating overtime payments, and nothing in this Article or Agreement shall be construed as a guarantee of a minimum number hours of work per day, per week, or per work cycle.

Section 13.2 Work Schedules. The City shall continue to post the work schedules showing the shifts, workdays and work hours to which bargaining unit members are normally assigned. The normal work cycle is seven (7) days.

Section 13.3 Normal Workday. The normal workday shall consist of eight (8) hours of regular duty. Each workday may be preceded by a fifteen (15) minute paid in-service training duty.

Each workday shall be interrupted by a thirty (30) minute paid lunch and one fifteen (15) minute paid break. Failure to secure said break as a result of workload shall not occasion the payment of overtime.

Employees who work a 9 or 13-hour shift when Daylight Savings Time ends in the fall will receive one hour of overtime compensation for the extra one hour of work performed. Employees who work a 7 or 11-hour shift when Daylight Savings Time begins in the spring will be paid only for the hours actually worked.

### Section 13.4 Overtime Compensation.

Overtime which has been duly authorized or approved shall be compensated as follows:

All hours worked in excess of the normal work day, with the exception of a 15 minute in-service training duty immediately preceding the Sergeant's regularly scheduled shift shall be compensated at the rate of one and one-half (1½) times the regular hourly rate (hourly rate determined by dividing the annual salary by 2080).

Section 13.5 Call Back. A call-back is defined as an official assignment of work that does not continuously precede or follow a sergeant's regularly scheduled working hours. A minimum of two (2) hour's pay at time and one-half will be guaranteed for all call-backs.

Section 13.6 No Pyramiding. Compensation shall not be paid more than once for the same hours under any provision of this Article or Agreement. There shall be no pyramiding of overtime or premium compensation rates.

Section 13.7 Changes in Work Schedule. Should it be necessary, in the City's judgment, to restructure the work schedule of an employee or employees, the City will give, absent emergency circumstances, at least fourteen days (14) advance notice of such change to all employees affected by such change. Within said fourteen day period, the City will meet with the Union, if requested, to discuss any such change.

The parties recognize that the normal work schedule of an employee assigned to a specialty position necessarily varies depending on the needs of the Department and that from time to time it will be necessary to make changes with very little, if any, advance notice.

Section 13.8 Ravinia Festival Overtime.

a) At least two weeks prior to the opening of the Ravinia season each year, the Department will distribute and receive written confirmation from sworn personnel below the rank of Deputy Chief requesting they choose one of the following options:

1. "Group 1" or "Full Commitment" are those employees who commit to work every available festival job that does not conflict with their regularly scheduled work hours, including on their scheduled days off and pre-scheduled benefit time off days. Group 1 employees may ask to be excused from no more than five (5) Ravinia Assignments, including sick leave, which will be filled by Department. Employees who ask to be excused from more than five (5) assignments, including sick leave, will be changed to Group 2.

2. “Group 2” are those employees who choose to work only those festival jobs that occur on days they are scheduled for duty but that do not conflict with their regularly scheduled work hours.
3. “Group 3” are those employees who choose to work festival jobs only on a volunteer basis through sign-up for specific days.
4. Not working Ravinia.

b) Festival Job Assignments

1. Festival sign-up sheets will be posted 10 or more days from the scheduled date of the event. The sign-up sheet shall indicate the personnel assigned to the event and the number of personnel needed to fill vacant positions (after all patrol officer volunteers have been assigned).
2. Necessary supervisory posts will be filled as follows.
  - a. When there is only one supervisor post, and when there are two supervisor posts, an inside post and an outside post, the supervisor post/the inside supervisor post shall be assigned as follows:
    - i. The inside post will be rotated amongst Commanders who elect a Full Commitment to the Ravinia Festival.
    - ii. If the Full Commitment Commanders are unavailable, then the inside post will be assigned to a Group 1 Sergeant. The assignment will be made on a rotating basis using the rotation listed referenced in Paragraph 2(b) below.
    - iii. If no Group 1 Sergeant is available because the Sergeants are all working an assigned shift or working the outside post, then the inside post will be assigned to a Group 2 Sergeant.
    - iv. If no Group 2 Sergeant is available for the assignment, then the inside post will be offered to the Group 3 Sergeants.
  - b. When there are two supervisor posts, an inside post and an outside post the outside post shall be assigned as follows:
    - i. The outside post will be rotated between Group 1 Sergeants.
    - ii. If a Group 1 Sergeant is unavailable because they are working, the position will be assigned to the next available Group 1 Sergeant in the rotation. Any Sergeant who is unavailable because they are

working a shift will retain their position in the rotation. The following illustrates this principal, assuming for the example that three Sergeants have elected a Full Commitment for the 2020 festival season:

	Day 1	Day 2	Day 3	Day 4	Day 5	Day 6
Original Rotation	Sgt/ 1	Sgt. 2	Sgt. 3	Sgt. 1	Sgt. 2	Sgt. 3
Work Schedule	Off Duty	Off Duty	On Shift – Conflict	Off Duty	Off Duty	Off Duty
Revised Rotation	Sgt. 1	Sgt. 2	Sgt. 1	Sgt. 3	Sgt. 2	Sgt. 3

- iii. If no Group 1 Sergeant is available because all Group 1 Sergeants are working shift, then the Full Commitment Commanders will be offered right of first refusal to accept the outside post.
  - iv. If the Full Commitment Commanders decline the position, then the outside post will be assigned to an available Group 2 Sergeant.
  - v. If there are no available Group 2 Sergeants, then the outside post will be offered to all Group 3 Sergeants.
3. If additional non-supervisory posts remain available after officer-rank personnel have been assigned, these posts shall be made available first to Sergeants by level of commitment, and then by time-in-grade seniority. If no Sergeant volunteers for the post it will then be made available to Supervisors of a higher rank outside of the bargaining unit.

The Department shall make every effort to utilize Department personnel for Ravinia Festival jobs, however, if positions remain unfilled prior to the date of the event, the Department will seek to fill those positions with personnel from other police departments as soon as practicable. Should any supervisory posts remain vacant, the Department may assign a qualified individual to fill that post. The Chief of Police retains the managerial right to assign any qualified individual to fill a supervisory role to any particular event at his discretion.

- c) Personnel assigned to work a scheduled Ravinia Festival job will be responsible for locating a replacement in the event they do not desire to work the assignment. If the position is a supervisory position, the replacement must be of comparable or higher rank.

If the supervisor is unable for any reason to locate a suitable replacement, he or she will be responsible to work the job.

- d) The supervisor assigned in the rotation cannot be bumped from working the assignment by a higher-ranking supervisor that accepts a “free-pick” for a non-supervisory role. However, a higher-ranking supervisor may displace a lower-ranking supervisor from a designated supervisory role for that Ravinia assignment. Any supervisor displaced from a designated supervisory position by a higher-ranking supervisor shall retain their original start time and will be assigned duties by the higher-ranking supervisor.

Section 13.9 Shift Exchanges. An employee may have another fully qualified bargaining unit employee substitute for him by performing work in the same capacity for the employee's entire workday or work month, provided the substitution does not interfere with the operation of the Police Department and subject to advance written approval by the affected Shift Commander or his designee. Supervisors must be notified within a reasonable amount of time prior to the start of the exchanged shift.

Section 13.10 Extra Job Selection. This Section only applies to extra jobs requested by outside third parties that the Department elects to post.

- (a) Any supervisor can volunteer for a non-supervisory extra-job assignment that has been posted as a “free pick.” Up until 72 hours prior to the start of the extra job, an officer may take the “free-pick” regardless if a supervisor has signed up for that assignment (unless the post is supervisory in nature). Should no officer take the “free pick” assignment, it will be awarded to a Sergeant by time-in-grade seniority, who has signed up to take the assignment. If no Sergeant signed up for the assignment, Supervisors above the rank of Sergeant outside the bargaining unit are eligible for the assignment.
- (b) Any supervisor taking a “free pick” assignment will be responsible for finding a suitable replacement should he or she subsequently wish to decline the job. If no replacement is found, the supervisor assigned will be expected to work the assignment.
- (c) Sworn supervisory personnel below the rank of Deputy Chief may volunteer to take an extra-job post assignment that has been designated as supervisory. These posts will be awarded on a rotational basis utilizing the “extra-job list” which is established and reset quarterly. The supervisor assigned in the rotation cannot be displaced from working the assignment by a higher-ranking supervisor that accepts a “free-pick” for a non-supervisory role. However, a higher-ranking supervisor may displace a lower-ranking supervisor from a designated supervisory role for that extra job assignment. Any supervisor displaced from

a designated supervisory position by a higher-ranking supervisor shall retain their original start time and will be assigned duties by the higher-ranking supervisor.

- (d) If no supervisor volunteers for a supervisory extra-job position, the Department may assign a supervisor to fill that post.
- (e) All substitution requests must be submitted in writing on a form provided by the Department and signed by the original supervisor and the substitute. If the post is a designated supervisor position, the substitute must be the rank of Sergeant or higher. An extra duty assignment of six or more officers will normally include one supervisor.
- (f) The Chief of Police retains the right to assign a specific supervisor to any assignment based on extenuating circumstances outside of the above procedure.

Section 13.11 Court Pay. All sergeants will receive a minimum of two and one-half (2½) hours of overtime pay for court.

Section 13.12 Call-In Status. A sergeant is not required to remain at home while on call in status. The sergeant may contact the Department from any location as long as the sergeant can appear in court at the required time.

A sergeant is not required to remain at home while on call in status. The sergeant may contact the Department from any location as long as the sergeant can appear in court at the required time.

Section 13.13 Pre-Shift Preparation Time/“Supervisor Days”. Sergeants shall report for 15 minutes of pre-shift preparation time. The 15 minutes of pre-shift preparation time shall be compensated in the form of an additional forty-eight (48) hours of time to the annual salary (2,128 total hours per year). All “Supervisor Days” that were added to time off banks under the prior collective bargaining agreement terms will be zeroed out. Requests to use supervisor days between March 21, 2022 and the date of ratification will be denied. If any “Supervisor Days” were used between March 21, 2022 and April 6, 2022 they will be deducted from the employees vacation time instead of supervisor days.

Section 13.14 Emergency Patrol Supervisor Coverage. In the instance that a Patrol supervisor(s) needs to be relieved from duty due to involvement in a critical incident, the City may temporarily fill the position(s) in the most expeditious manner at its discretion.

Simultaneously, the supervisor volunteer call-in list shall be activated by sending a page stating: “Emergency Patrol Supervisor Coverage Needed.” The page shall include the number of Patrol supervisors needed. Supervisors responding to the page will be afforded thirty (30) minutes to respond. At the expiration of the thirty (30) minute period, the vacancy(s) will be afforded to personnel in the following order:

1. Any replying Sergeant(s) by seniority in grade.
2. Any other qualified supervisor on a first-come-first-served basis.

Sergeants who were utilized at the City’s discretion for the expeditious fill in, and who are relieved by the voluntary list procedure, shall be compensated a minimum of two (2) hours pay at his or her applicable overtime rate.

Section 13.15 Compensatory Time/Time Due When an employee works overtime, he may elect to bank the hours as compensatory time (herein referred to as “Time Due”) in lieu of receiving monetary compensation in that pay period. In furtherance of Section 7(o)(5) of the Fair Labor Standards Act (“FLSA”), the parties agree that due to the nature of the 24/7 operation and the need to minimize fatigue as a result of unplanned overtime, time due requests that would generate overtime are “unduly disruptive” to the City’s operations as that term is used in the FLSA. To address that concern, the parties agree to the following process to be used with time due requests that would generate overtime. This banked time may be used to take time off at a future date when the leave calendar might otherwise be full and prevent normal scheduling of time off,

or in the case of a personal emergency where time off is needed if a personal emergency should arise, hour for hour use is allowed if no overtime is required to cover the absence.

Time shall be banked at a rate of 1.5 times the number of hours worked (e.g., 12 hours worked equals 18 hours banked), unless the time banked is a result of the four (4) hours of straight time overtime generated by the 12-hour shift, in which case the time will be banked at 1.0 times the number of hours worked. A maximum of 36 hours may be held in the bank at any one time. This 36 hour cap includes the 4 hours of straight time overtime generated by the 12-hour shift. Sergeants may designate whether they want to accrue all of their time worked as Time Due, or only a portion of the time.

The following procedure shall be followed for utilizing the Time Due Bank:

- a) Notice of Banking Time Due: The employee shall designate on the overtime authorization form whether they want to be compensated with monetary compensation or accrue Time Due and, if Time Due is elected, how much of the overtime is to be accrued as Time Due. If no option is designated, the overtime will default to monetary compensation.
- b) Requesting to use Time Due Bank: In order to request Time Due, the employee must have the time in the bank. A request to use Time Due shall be submitted in the same fashion as requests to use vacation time. At the time the employee submits a request to use Time Due, the employee shall also indicate how they prefer to handle the time if the Time Due request is designated as “unduly disruptive” as specified below. If no preference is designated, option (ii) (withdraw the request and resubmit at another time) will be the default option.

c) Unduly Disruptive Days: If overtime is necessary to cover the employee's requested time off under this Section (i.e., the employee's leave will cause or has caused the shift to fall below the Chief's established minimum shift staffing) the City shall so advise the employee. Overtime rules shall apply in order to fill vacancies caused by a Time Due request except as expressly modified by this Article. It is agreed by the parties that the implementation of such Time Due rules will necessitate additional administrative and operations efforts in order to fill such Time Due slot(s), thus causing undue disruption to the Department's operation. If overtime is necessary to cover the employee's requested time off under this Section, the parties hereto agree that such request cannot be filled within a reasonable period of time without unduly disrupting the operations of the Police Department. In such case, the employee shall have the following options:

- i) to direct the City to forego the request for time off and requisition payment of banked time (e.g., 12 hours requested at time and a half equals 18 hour reduction in the Time Due bank ) on the next regular payroll check;
- ii) to withdraw the request and to resubmit a request for leave at another time that does not cause overtime; or, take the leave requested.
- iii) If the leave requested causes overtime, the scheduled employee taking the leave shall be designated as having taken an "unduly disruptive day" and the scheduled employee's Time Due bank shall be reduced by time and one-half for each hour granted off (e.g., 12 hour Time Due at time and a half equals 18 hour reduction in Time Due bank). If no overtime is required, the request shall be deemed to be not unduly disruptive, and the employee

taking the leave shall have his Time Due bank reduced hour for hour (e.g., 12 hours off equals 12 hours reduction in Time Due bank).

If the City is unable to secure an off duty employee to fill the requested Time Due slot at all, then the request may be denied in its entirety as unduly disruptive.

- d) Filling Time Due Bank Requests: Requests for Time Due bank under this Section use will be prioritized in the order in which they are received. If the requirements of a specific assignment cannot be met or if sufficient Time Due bank cannot be filled to meet the number of requests, the requests will be denied in reverse order of priority. When attempting to fill a request, no more than one (1) complete round of calls will need to be made.
- e) Cash Out: If an employee elects to cash in banked time for time-and-one-half pay (e.g., 12 hours pay at time and a half results in 18 banked hours being deducted), the employee will make that request in writing.
- f) Indemnification: In consideration of the City's agreement to allow employees to establish Time Due banks and to schedule Time Due in accordance with the terms and conditions of this Section, the Union agrees to the following:
  - i) Subject to the parties' agreements and adoption of the alternative procedure described in Paragraph (b), the Union and its bargaining unit members agree to defend, indemnify, save and hold harmless the City, its officers, agents and employees, from any and all damages, costs, expenses and penalties arising from any complaint or allegation that these restrictions on the use of Time Due do not comply with Section 7(o)(5) of the Fair Labor Standards Act regarding the use of compensatory time.

- ii) Any and all disputes that may arise between the parties, including disputes raised by the Union or by any bargaining unit member, as to the administration of this Section, shall be resolved through the grievance arbitration procedure of this Agreement, except that such grievance shall be filed at Step 3. The parties' agreement to utilize the grievance procedure to resolve any disputes arising under this Section is based upon the authority vested in them under 8 and 15(b) of the Act, 5 ILCS 315/15(b). Such agreement is also made in reliance upon the Supreme Court's decision in 14 Penn Plaza LLC v. Pyett, 129 S.Ct. 1456, 186 LRRM 2065 (2009), that such disputes shall include claims or allegations that any restrictions on the use of Time Due available to employees from their compensatory time banks as established under this Section do not comply with 7(o)(5) of the FLSA, 29 USCA 207. In the event that any such grievance is advanced to arbitration, the parties further stipulate and agree that the arbitrator's remedial authority shall be limited to making the grievant(s) whole by granting, consistent with applicable 7(o) standards of the FLSA, the cash value of any Time Due in dispute based on the then-applicable overtime rate and shall have no authority to award any attorneys' fees or any penalties against the parties.

The parties agree that if the Union or a bargaining unit employee files a lawsuit or complaint in any form alleging a violation of Section 7(o), this arbitration agreement may be raised as an absolute defense to such lawsuit. The Union agrees that it will join the Employer in any motion to dismiss the lawsuit and/or to compel arbitration.

- g) All unused Time Due shall be cashed out on the last pay check of the calendar year. The amount cashed out will be based on the rate of pay as of the first day of the last pay period of the year.
- h) Sunset. If any portion of this Section 2.2(E)(5) is found to violate the terms of the FLSA, then this Section 13.16 will be stricken from the bargaining agreement, employees will not accrue any further compensatory time off, and any compensatory time banks will be cashed out.

#### **ARTICLE XIV TUITION REIMBURSEMENT**

Section 14.1 Introduction. The City of Highland Park encourages its employees to continue their education and, therefore, provides a tuition reimbursement program to help defray the cost of additional schooling. The requirements of qualification under this program are as follows:

Section 14.2 Eligibility. Any full-time employee in good standing who has been with the City for more than one (1) year and has received an average or better rating on his/her most recent performance evaluation is eligible for this program. If an employee is suspended for disciplinary reasons for more than five (5) working days during the fiscal year, and is participating in the program, the City Manager has the option to revoke reimbursement privileges. The City shall continue to maintain the Masters Program for bargaining unit members. Except as set forth in the attached Letter of Understanding, graduate level course reimbursement is available only to Senior Executive Management and Executive Management Personnel.

Section 14.3 Course Qualification. Courses may be part of a degree program that the employee is pursuing independently, but the reimbursement program does not encompass the pursuit of a college degree itself. Courses, whether high school, undergraduate or graduate, must

be directly related to the job the employee is currently performing, no exceptions. For example, courses taken by a police officer in the area of criminal justice or by a fire fighter in the area of fire science are eligible for reimbursement. Courses required as part of a degree program which are not directly job related will be reimbursed by the City at fifty percent (50%) of the amounts set forth in Section 14.5. Classes must not interfere with an employee's ability to perform his/her job.

Section 14.4 Sign-Up Procedure. Tuition and other reimbursable expenses must be approved in advance of the employee's commencement of the course. An employee must submit a "Request For Tuition Reimbursement" on a form promulgated by the City to his/her department head describing how the course is directly job related and how it will benefit both the employee and the City. In addition, the employee must include the cost of tuition and books. Preliminary approval to take the course must first be obtained from the department head and sent to the City Manager's office for final approval.

Section 14.5 Amount of Reimbursement. Employees pursuing academic instruction will be reimbursed only for tuition and books according to the following schedule up to a maximum of \$4,500 per fiscal year (this amount will be reexamined periodically and adjusted accordingly). No carryover payments into the next fiscal year will be allowed. Participation in the tuition reimbursement program in no way obligates the City to pay the entire cost of a degree program.

<u>Grade</u>	<u>Reimbursement</u>
A	100%
B	75%
C	50%
D or lower	0%

When courses are graded on a pass/fail system, a “pass” will be reimbursed in full and a “fail” will not receive any reimbursement. Reimbursement for any course which is largely comprised of material covered in a course previously taken by the employee and which was approved for reimbursement or otherwise funded by the City shall not be approved. The City is not obligated to reimburse any tuition if the employee resigns or is terminated prior to receiving reimbursement. An employee is expected to remain a full-time employee for one (1) year after course(s) completion, otherwise a pro-rated amount of the total reimbursed expenses during the last year shall be returned by the employee to the City.

Section 14.6 Reimbursement Procedure. Within thirty (30) days after the course is completed and a grade of "C" or better obtained, the final grade report and copies of all receipts for tuition must be given to the department head for transmittal to the City Manager's office. The City Manager may consider waiver of any of the above criteria upon written request and justification by the employee.

## **ARTICLE XV SALARIES**

Section 15.1 Base Wages. Retroactive to January 1, 2022, sergeants in the unit on the date this Agreement is executed shall be paid in accordance with the wage schedule attached hereto and incorporated herein at Appendix B.

Upon promotion to Sergeant, the employee shall be placed at the lowest established step above the employee’s base salary provided said salary is a minimum of a 2% salary increase. Newly appointed Sergeants shall move from their starting salary to the next step upon completing six months of service and then to the next step one year later (one and one-half years following appointment date), and from one step the next step thereafter annually until reaching the top step.

All step movement shall be conditioned upon the Sergeant receiving a “meets expectations” or greater performance evaluation in their most recent evaluation.

*Note: Appendix B, attached hereto, reflects base pay increases of: 3.00% effective January 1, 2022, 3.00% effective January 1, 2023 and 3.00% effective January 1, 2024. Employees will be paid retroactively for all hours worked or paid from January 1, 2022 to the present.*

*Sergeants who retire from service or separate on a duty disability pension prior to the signing of a successor agreement shall be entitled to wage retroactivity upon signing of the successor agreement.*

Section 15.2 Longevity. Sergeants shall be given longevity pay increases consistent with the City Policy in effect on May 1, 1996 (Appendix C).

## **ARTICLE XVI INSURANCE**

Section 16.1 Health Insurance Plan. The City shall provide actively employed sergeants and their dependents the same group health and hospitalization insurance that is provided to other non-bargaining unit full-time Highland Park City employees eligible for such coverage. The City reserves the right to change insurance carriers, to self-insure, institute cost-containment measures, and to continue or to discontinue participation in a health maintenance organization(s) as it deems appropriate provided that employees covered by this Agreement receive the same health insurance program available to other non-bargaining unit full-time Highland Park City employees eligible for insurance coverage.

Section 16.1a Cost. Employee medical premium contributions shall be as set forth in Attachment D. In addition, employees shall take part in the WIN Program as it applies to all non-union employees. The City will give the Union 30 days’ notice and, upon request, meet and discuss

any changes with the Union. The City will offer to train employees on any changes that are implemented.

Section 16.1b Cost Containment. The parties recognize the need for flexibility on the part of the City in dealing with the issues of hospitalization benefits and costs. Accordingly, the parties agree that the City may make changes to its current policy with respect to cost containment matters, provided such changes do not effectively and substantially reduce the current level of benefits, and provided further that such changes also are applied to other non-supervisory, non-managerial Highland Park City employees.

Section 16.2 Life Insurance. During the term of this Agreement, the City will provide each bargaining unit employee with term life insurance in an amount equal to the employee's annual salary, including longevity. The City retains the right to change insurance carriers or to self-insure this benefit, provided that the City will pay the premium cost of providing term life insurance under this Section.

Section 16.3 Terms of Policies or Plans to Govern.

The extent of coverage under the insurance policies or plan(s) referred to in this Article shall be governed by the terms and conditions set forth in said policies or plans. Any questions concerning coverage shall be resolved in accordance with the terms and conditions in said policy or plan and shall not be subject to the grievance procedure set forth in this Agreement.

**ARTICLE XVII  
ACCIDENT REVIEW BOARD**

In an effort to avoid or reduce personal and/or financial consequences of accidental injuries or damages sustained by its employees and the general public, the City of Highland Park (City) has created a system of Accident Review Boards (Boards). These Boards are charged with the responsibility of identifying, investigating and evaluating employee work-related injuries, vehicle

accidents and property damage accidents and to recommend appropriate remedial action to prevent similar accidents/injuries in the future. These Boards are not disciplinary bodies but make recommendations to the applicable department head based upon the guidelines set out in the City's Accident Review Board policy. These Boards shall recommend job training to Department Heads for employees or work groups in order to foster a safe and accident-free work environment for all employees.

The Accident Review Board for the Police Department shall be established with the following membership. The Police Chief shall be the chair of the Board and the membership of the Board appointed by the Chief shall not exceed six members.

- Police Chief (1)
- Deputy Police Chief (1)
- Police Commander (1)
- Police Sergeant (1)
- Officers Bargaining Unit Employee (1)

For purposes of Accident Review Board guidelines, City employees shall be classified in one of the categories listed below.

- Full-Time Field Personnel – defined as an employee whose primary job description involves operating a motor vehicle or equipment in the field more than 50% of their time.
- Part-Time Field Personnel – defined as an employee whose primary job description involves operating a motor vehicle or equipment in the field less than 50% of their time.
- Non-Field Personnel – defined as an employee whose primary job description does not involve operating a motor vehicle, machinery or work outside an office environment.

Employees shall be subject to disciplinary recommendations for preventable accidents as set forth in the Accident Review Board Guidelines.

The Accident Review Boards shall adhere to the regulations set forth in the City policy.

### **ARTICLE XVIII SUBCONTRACTING**

It is the general policy of the City to continue to utilize its employees to perform work they are qualified to perform. The City may, however, subcontract where circumstances warrant.

The Union recognizes that the City has statutory and charter rights and obligations in contracting for matters relating to City operations. The rights of contracting or subcontracting are vested in the City. In cases of contracting or subcontracting resulting in layoffs of employees covered by this Agreement, the City will hold advance discussions with the Union prior to letting the contract and will advise the Union of the nature, scope and work to be performed by the subcontracting. The Union will have the opportunity to submit proposals during these meetings for the purpose of decreasing the effects of any subcontracting on members of the bargaining unit.

### **ARTICLE XIV ENTIRE AGREEMENT**

This Agreement constitutes the complete and entire agreement between the parties. This Agreement supersedes and cancels all prior practices and agreements whether written or oral which conflict with the express terms of this Agreement. The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject matter not removed by law from the area of collective bargaining and that the parties waive the right to negotiate for changes on any issue

whether known or unknown and that the understandings and agreements reached by the parties after the exercise of that right and opportunity are set forth in this Agreement.

**ARTICLE XX  
DURATION CLAUSE**

Section 20.1 Duration & Reopeners.

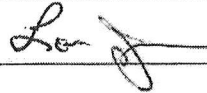

This Agreement shall be effective on the date it is executed by both parties and shall remain in force and effect until 11:59 p.m. on the 31st day of December, 2024. It shall be automatically renewed from year to year thereafter unless either party shall notify the other in writing at least sixty (60) days prior to the anniversary date that it desires to modify this Agreement.

In the event that either party desires to terminate this Agreement, written notice must be given to the other party no less than ten (10) days prior to the desired termination date, which shall not be before the anniversary date set forth in the preceding paragraph. This Agreement shall remain in full force and effect pending the completion of negotiations for a successor agreement.

Executed this 29 day of September, 2022.

- 100% for an “A” grade
- 75% for a “B” grade
- No reimbursement for a grade lower than “B”.

It shall be a condition of the receipt of such reimbursement that sergeants sign loan repayment documents to ensure full compliance with Paragraph 3.

3. To qualify for 100% reimbursement a Sergeant must remain in the City’s employ for four (4) years following completion of the course for which reimbursement was granted. Sergeants leaving the City’s employ after less than four (4) years shall be obligated to repay any amount reimbursed under this policy in accordance with the following schedule:
