

# Line of Duty Benefit

## Helping Protect Those Who Protect and Serve

On a daily basis, firefighters and police officers put their lives on the line to keep our homes and communities safe and secure. To help protect them and their families from a financial loss after a covered line of duty accident, Standard Insurance Company (The Standard) offers an optional Line of Duty Benefit to public employer groups with Group Life and AD&D insurance, who cover employees meeting the group policy's definition of a public safety officer.

This optional benefit provides public safety officers an additional \$50,000 or 100 percent of the AD&D insurance benefit, whichever is less, when suffering a loss for which an AD&D insurance benefit is payable and which is the result of a line of duty accident.

Public safety officers include police officers, firefighters, corrections officers, judicial officers and officially recognized or designated volunteer firefighters meeting the definition of a public safety officer.

## In the Line of Duty: The Stories Behind the Numbers

### Two examples\* of how the Line of Duty Benefit can help:

While on duty, a firefighter insured for \$100,000 of Life and AD&D insurance coverage responds to a building fire. A gas leak occurs, causing an explosion that results in the firefighter's death. In this example, the firefighter's beneficiaries may be eligible to receive the following: Life benefit of \$100,000 and AD&D benefit of \$100,000, plus a \$50,000 Line of Duty Benefit for a total payment of \$250,000.

While on duty, a police officer insured for \$100,000 of Life and AD&D insurance coverage is involved in a high-speed chase that ends in a collision, resulting in the loss of sight in one of his eyes. In this example, the police officer may be eligible to receive the following: An AD&D benefit of \$50,000, as the policy pays 50 percent of the AD&D benefit for loss of the sight of one eye, plus a \$50,000 Line of Duty Benefit for a total payment of \$100,000.

With the Line of Duty Benefit from The Standard, public employer groups can help provide financial protection to public safety officers who have dedicated their lives to protect and serve.
